

SURVEYOR'S NOTES:

- The Basis of Bearing is the Texas Coordinate System of 1983, North Central Zone (4202).
- No encroachments were observed in the course of the survey.
- In the preparation of this survey, the surveyor has relied upon that commitment for title Insurance as prepared by Fidelity National Title Insurance Company, GF No. FT-44122-9001222201973, having an effective date of June 16, 2022, and an issued date of July 1, 2022.
- Per FEMA Flood Insurance Rate Map Number 48439C0205L, dated March 20, 2019, the subject property lies within Zone X (unshaded), designated as those areas outside the 0.2% annual chance floodplain.
- Due to the recent construction and reconfiguration of roads around the subject property, the surveyor could not find sufficient monumentation alone to place the property boundary. The survey has relied upon those plans for construction, and published coordinates for road centerlines, as prepared by HALFF Associates for the City of North Richland Hills. Project Number 29783, dated 08/11/2017, in the placement of boundary lines shown hereon.
- This plat does not attempt to alter or remove existing deed restrictions or covenants, if any, on this property.
