SUMMARY:

The Office of the Governor's Public Safety Office (PSO) has announced the FY24 General Victim Assistance Grant Program funded under the Victims of Crime Act. The purpose of the program is to provide services and assistance directly to victims of crime to speed their recovery and aid them through the criminal justice process. The Police Department is seeking authorization to apply for FY24 grant funding to fund the Victim Assistance Program's (VAP) personnel, related costs and equipment.

GENERAL DESCRIPTION:

As provided in Section 3 Scope of Services of the Agreement, NRH is responsible for the management of the program and the application for available grant funding to fund the VAP's personnel, related costs, and equipment needed to effectively provide services to crime victims.

The Police Department is seeking authorization to apply for grant funding, offered through the PSO's FY24 General Victim Assistance Grant Program, in the total amount of \$201,470. There is no cash match requirement. The additional program costs will be shared with the partner cities based on percentages outlined for program expense sharing. The NRH portion will be included in our Crime Control & Prevention District fund budget.
