REVIEW OF EVENTS

A. Off Season Activities – NRH₂O staff is focusing on necessary repairs and upgrades to attractions and buildings throughout the facility. This includes repairs to various motors and pumps, concrete repairs, and plumbing repairs in order to have everything ready to go for the 2022 season. Staff is also working on hiring and incentive plans to aid with staffing and combat the issues that all employers are currently experiencing.

B. Polar Plunge – The park is excited to again host the annual Polar Plunge on Saturday, February 5, 2022 after seeing the 2021 event cancelled due to COVID. This event benefits the Special Olympics of Texas – Greater Fort Worth area. Participants will plunge for proceeds by taking a teeth-chattering dip into freezing cold water! To pre-register and create a fundraising page, please visit <https://givebutter.com/NRH2OPP>. Registration on plunge day will start at 8:00 a.m. For more information, contact Becky Shoulders at 737-235-3833 or bshoulders@sotx.org. Proceeds help support more than 4,200 athletes in the Greater Fort Worth Area.
