

## CITY COUNCIL MEMORANDUM

**FROM:** The Office of the City Manager   **DATE:** March 7, 2022  
**SUBJECT:** Authorize the City Manager to execute an interlocal agreement with Tarrant County to rehabilitate and resurface Onyx Drive South from Billy Faye Drive to Bonzer Street.  
**PRESENTER:** Boe Blankenship, Assistant Public Works Director- Operations

### **SUMMARY:**

The City Council is being asked to authorize the City Manager to execute an interlocal agreement between Tarrant County and the City of North Richland Hills for road construction work on Onyx Drive South.

### **GENERAL DESCRIPTION:**

Over the past few years Tarrant County Field Operations, specifically Precinct No. 3, has helped the City complete various street construction projects. Most recently county forces rehabilitated Stonybrooke Drive in 2021. This partnership allows the City to stretch maintenance dollars by taking advantage of the County's in-house capabilities.

The proposed 2022 project is Onyx Drive South from Billy Faye Drive to Bonzer Street, and will include full sub-grade stabilization followed by a new asphalt surface.

The terms and conditions of the agreement replicate those used in prior years. The City will pay for the materials, trucking charges and one half of the fuel used by Tarrant County for the sub-grade stabilization process as well as the placement of the asphalt in the roadway. Once the agreement is executed, staff will coordinate with the County to schedule the work which will be funded as part of the 2022 Preventive Street Maintenance program (SM2201).

At this time, it is anticipated that the work will take place in October of 2022. The work is estimated to take 3 to 4 weeks to complete.

### **RECOMMENDATION:**

Authorize the City Manager to execute an interlocal agreement with Tarrant County to rehabilitate and resurface Onyx Drive South from Billy Faye Drive to Bonzer Street.
