Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Trish Watson in Neighborhood Services – The manager of a restaurant expressed thanks and appreciation for Trish's responsiveness after a vehicle drove into their building on Thanksgiving. Trish went above and beyond, coming out after hours on a holiday, to complete an inspection so the restaurant could reopen. They are grateful to be in a community with such dedicated and service oriented city employees, the manager said.
