

Sole Source Justification/Approval Form

REQ # _____

PO # _____

Complete this form when only one source is available for goods or services requested or when only one product will meet your needs. Respond to all questions that apply. Please complete and forward to the Purchasing Department, along with Sole Source letter provided by vendor. If more space is needed, please attach additional page(s).

PURCHASE INFORMATION

1. Provide Estimated Price.

2. Provide name, manufacturer, and model number of item being purchased or the services to be purchased.

3. Provide Description of requested items or services and their purpose(s). Add additional sheet if needed.

4. Reason(s) for requesting a sole source purchase:

- ☐ Original manufacturer or provider.
- ☐ Only local distributor for the original manufacturer or provider.
- ☐ Only known item or service matching the requested needs or performing the intended task.
- ☐ Sole provider of a licensed or patented good or service.
- ☐ Sole provider of items compatible with existing equipment, inventory, systems, programs or services.
- ☐ Sole provider or factory-authorized warranty service.
- ☐ None of the above applies (Please attach a detailed explanation and justification for this sole source request.)

5. Explain why the product or service requested is the only one that can satisfy your requirements.

6. Identify other sources reviewed and why they are unacceptable. Be specific with regard to specifications. Attach additional pages if necessary.

I certify that the above statements are true and correct, and that no other material fact or consideration offered or given has influenced this recommendation for a sole-source or proprietary purchase.

Thank you for your interest in Acoem Acoustic Threat Detection (ATD) technology. Acoem, Inc./MetOne based in Grants Pass, OR, is the exclusive manufacturer of these products in the world. Our AI and sensor technology includes the following unique differentiators:

- 4 embedded electronic microphones in each sensor, no system minimum
- PTZ camera integration through ONVIF protocol with each individual ATD sensor communicating with its on NDAA compliant PTZ camera
- Real time alarm and notifications providing instantaneous situational awareness, alarms notification <3 seconds
- No mandatory outsourced or offsite control center to filter data, end user gets real data in real time
- Individual sensor threat localization
- Integration into existing VMS or CAD software, including Milestone software with direct alerting to Milestone in real time through Acoem Cadence Software.
- Azimuth and Elevation of the threat computed at the edge with one sensor
- Single ATD sensor acoustic coverage radius of 500 ft or 750,000 sq. ft
- End user owns the Acoem ATD hardware. Not for lease or rent.
- Acoem Inc./MetOne is the exclusive manufacturer and creator of the Acoem ATD sensor.
- Individual ATD Sensor location can be determined by system operator/owner.

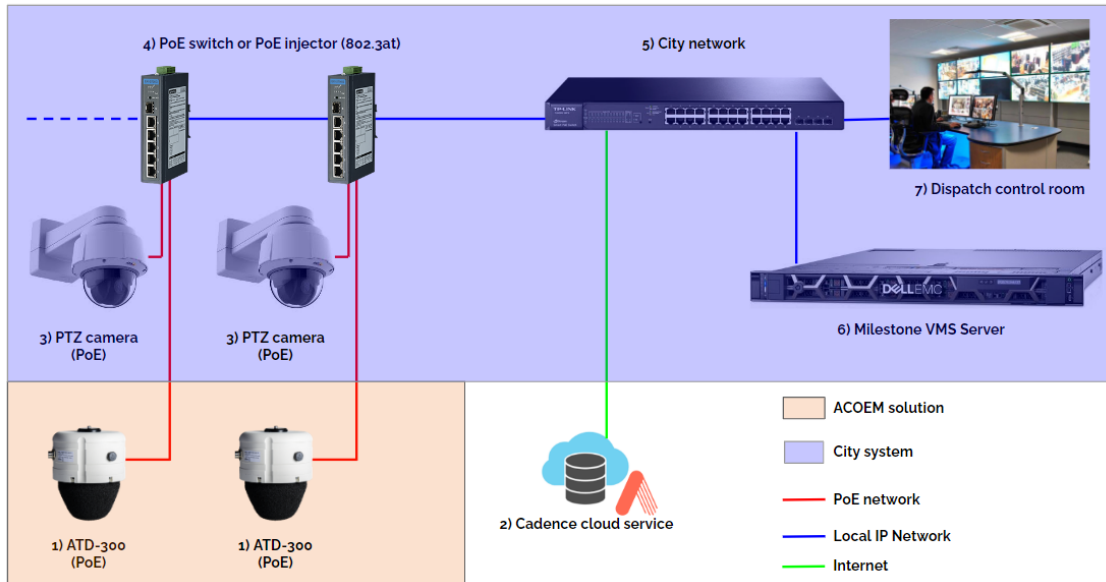

Across the world, ACOEM's 700+ employees innovate in the measurement, analysis and control of all environmental parameters including acoustic monitoring.

ACOEM offers a unique innovative solution with powerful autonomous acoustic sensors that can be deployed on any scale to help protect a wide range of outdoor areas.

Acoem ATD function: detect and communicate immediately through new or existing federated VMS and/or CAD Dispatch control room. Objective is to alert-operators in real time of any acoustic threat event in order to implement their protocols for securing the monitored location, and enables police to have full situational awareness of the scene for immediate response or action.

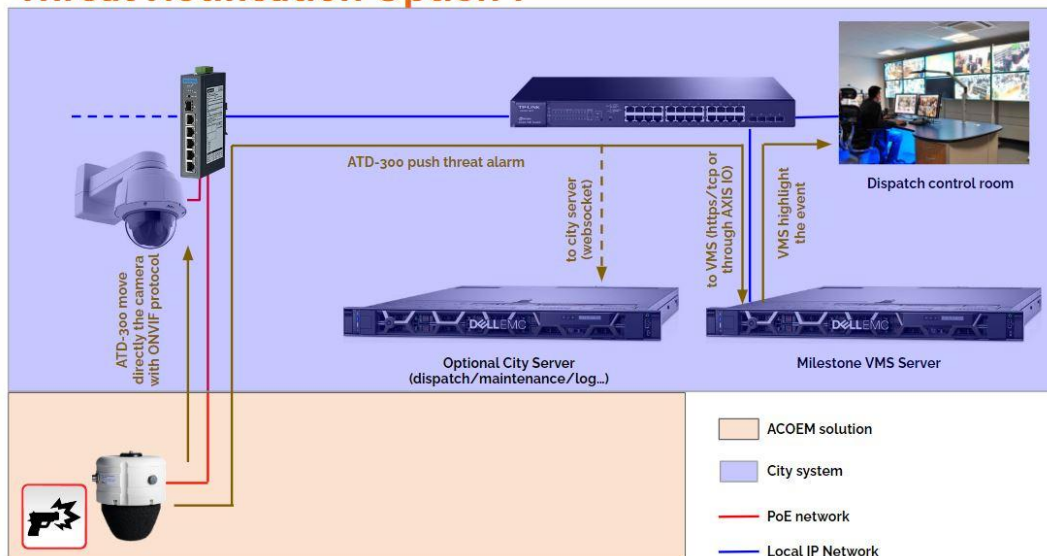

- The following diagrams show network architecture for the Acoem ATD solution paired with NDAA compliant PTZ camera into the existing Milestone architecture of the city.

Network architecture

- The following diagram shows Acoustic Threat notification architecture through Milestone VMS to the end user.

1. The warranty period for Met One supplied products and systems is 24 months from date of shipment or that as agreed to by Met One and the customer.
2. Met One warrants that its products will be free from defects in materials and workmanship under normal use and service for the duration of the warranty period.
3. Products which have been repaired or replaced during the warranty period are warranted for the remainder of the unexpired portion of the original warrantee period.
4. RA (Return Authorization): Authorization and shipping instructions for the return of any product must be obtained by the purchaser from the Met One service department before returning the product.

Limitation of Warranty

The warranty set forth above does not extend to and shall not apply to:

1. Consumable or expandable items which require replacement during the normal course of operation.
2. Products which have been subject to abuse, misuse, neglect, accident, power reversal or improper installation.
3. Products damaged by improper operation, lightning or excessive power surges.
4. Products which have been repaired or altered by other than Met One authorized personnel, unless purchaser has properly altered or repaired the products in accordance with procedures previously approved in writing by Met One.

Met One offers no other warranties expressed or implied other than the Limited warranty contained herein which gives the purchaser specific legal rights. Met One has no liability for consequential damages. In any case, Met One's entire liability under any provision of this Agreement shall be limited to the amount actually paid by the purchaser for the product.

This Agreement is governed by the laws of the State of Oregon.

Executive Compensation

Registrants in the System for Award Management (SAM) respond to the Executive Compensation questions in accordance with Section 6202 of P.L. 110-252, amending the Federal Funding Accountability and Transparency Act (P.L. 109-282). This information is not displayed in SAM. It is sent to USAspending.gov for display in association with an eligible award. Maintaining an active registration in SAM demonstrates the registrant responded to the questions.

Proceedings Questions

Registrants in the System for Award Management (SAM.gov) respond to proceedings questions in accordance with FAR 52.209-7, FAR 52.209-9, or 2. C.F.R. 200 Appendix XII. Their responses are displayed in the responsibility/qualification section of SAM.gov. Maintaining an active registration in SAM.gov demonstrates the registrant responded to the proceedings questions.
