Chair Welborn called the work session to order at 6:00 p.m.

1. MANAGING DIRECTOR REPORT

Managing Director of Development Services Clayton Comstock presented the city announcements and summarized recent City Council actions.

2. PRESENTATION BY STAFF ON ITEMS FROM THE REGULAR PLANNING AND ZONING COMMISSION MEETING.

Managing Director of Development Services Clayton Comstock discussed items on the regular meeting agenda.

3. DISCUSS UNMANNED AIRCRAFT SYSTEM (UAS) STAGING AREA STANDARDS

Managing Director Clayton Comstock presented information regarding staging area standards for unmanned aircraft systems. He discussed the special use permits approved for Wing Aviation at both Walmart locations and noted comments and concerns from the public during the past year of operation. He presented a list of possible site standards to consider as potential revisions to the zoning ordinance including maximum lot area for operations, maximum height of structures, setbacks from residential properties, allowances for reductions in on-site parking, screening of equipment, and approval processes.

Chair Welborn stated the current case-by-case review of proposed operation sites is the most flexible approach but that some guidelines or standards may be appropriate.

Commissioner Ross stated he would be interested in the experiences of other cities that have adopted ordinances and standards.

Commissioner Narayana stated appearance standards would be appropriate depending on the location of the operation area.

Commissioner McMahon stated a case-by-case approach is appropriate due to the speed of technology changes in the industry.

Alternate Carpenter and Mr. Comstock discussed noise levels and weight limits for drone deliveries.

Vice Chair Stamps and Mr. Comstock discussed the application of drone deliveries at small businesses and the appearance of the staging areas for the existing sites.

Mr. Comstock stated staff will begin looking at ordinance that is flexible, not overly regulatory, recognizes the evolution of the industry, and addresses standards that protect residents, property, and aesthetics. He stated staff plans to provide a draft ordinance for discussion in the first part of 2025.

B. FUTURE AGENDA ITEM(S)

Commissioner Narayana proposed an item to be placed on a future work session agenda to discuss the use of a consent agenda for Commission meetings.

There being no opposition, Managing Director Comstock informed the Commission he will place an item on a future work session agenda to discuss the use of a consent agenda.

Chair Welborn adjourned the work session at 7:02 p.m.

REGULAR MEETING: Immediately following work session (but not earlier than 7:00 pm)
