

## PLANNING AND ZONING COMMISSION MEMORANDUM

**FROM:** Planning & Zoning Department    **DATE:** August 6, 2026  
**SUBJECT:** Discussion regarding revisions to the Zoning Ordinance to ensure compliance with Texas Local Government Code.  
**PRESENTER:** Cori Reaume, Director of Planning

### **GENERAL DESCRIPTION:**

The purpose of this work session item is to discuss a number of proposed text revisions, primarily to the Zoning Ordinance. All revisions included in this discussion are necessitated by changes to state law. The intent of any proposed revisions is not to update any specific City policies or procedures, but rather to reflect the changes we have already incorporated to comply with state law.

Any changes involving the Zoning Ordinance will require public hearings at a later date.
