Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Trish Watson in Neighborhood Services – A business owner emailed praises for Trish saying: "She was a tremendous wealth of information from day one. She walked us through the process of many things and took the time to give us suggestions and educate us so we could do it right the first time. She responds quickly to her emails and phone calls, which is a lost courtesy these days with many people. We think the city is lucky to have a great health inspector to watch out for us business owners and consumers. Thank you!"
