Summertime is here and so are the mosquitoes. Make sure you are protected by using insect repellent whenever you spend time outdoors and by eliminating standing water where mosquitoes breed around your home. You can find a backyard checklist of eliminating mosquitoes on the city's website.

The Mayor's Summer Reading Club continues through August 1 at the North Richland Hills Library. Readers of all ages can earn prizes by keeping track of how much they read. The Library is also hosting free online events throughout the summer. Visit the Library's website for a schedule and registration information.

#### **Kudos Korner:**

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

**David Nichols, Wayne Estep, John Bitner and Cory Bain in Public Works** - An 83-year-old resident called in to express thanks for the caring and thoughtful crew that helped him. He had fallen in his front yard while checking his mail and David, Wayne, John and Cory stopped working to ensure he was okay. They helped him to his feet and made sure he made it back inside his home. He stated that he was proud to have employees like these men working for his city.
