

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** October 14, 2024
SUBJECT: Authorize the renewal contract purchase of the Motorola Astro System Essential Plus Package, in the amount of \$53,684.23.
PRESENTER: Mike Young, Chief of Police

SUMMARY:

Staff is requesting authorization to renew our contract with Motorola to continue our connectivity services. Motorola is the only provider of connectivity services that are managed, monitored, and public safety rated, all of which are requirements to ensure uninterrupted connection between Fort Worth core site, the Irving back-up core site, and the North Richland Hills remote site. The purchase of this contract renewal is \$53,684.23.

GENERAL DESCRIPTION:

Motorola is the sole manufacturer and provider for the ASTRO Connectivity Service. This managed service provides a purpose-built private network maintained and managed by Motorola Solutions to provide connectivity between Motorola ASTRO 25 subsystems and related ASTRO 25 services. ASTRO and ASTRO 25 are Motorola Solutions marketing brand for various Project 25 compliant products and solutions.

Motorola is the only provider of connectivity services that are managed, monitored, and public safety rated, all of which are requirements to ensure uninterrupted connection between Fort Worth core site, the Irving back-up core site, and the North Richland Hills remote site.

RECOMMENDATION:

Authorize the renewal contract purchase of the Motorola Astro System Essential Plus Package, in the amount of \$53,684.23.
