### **GENERAL DESCRIPTION:**

The City of North Richland Hills is proud to support the United Way of Tarrant County's Annual Fundraising Campaign. Each year, an NRH Employee Committee raises funds and awareness for the non-profit organization. The 2024 campaign ran from October 14 through November 15, with a theme of "Team Up for Tomorrow." Using a hybrid approach, the 2024 campaign raised funds by combining online aspects that worked well in previous years with a few fun in-person events. These events included:

- Virtual Teams kick-off
- Online silent auction resulting in over 45 baskets/items sold
- Indoor and outdoor sales booths
- Website and email marketing campaign
- Easy text-to-give option
- Pumpkin gram and raffle ticket sales
- United We Dine event at Boulevard Cafe
- Chili Cook-Off closing event

The money raised through last year's campaign will support over 40 local charities and programs that benefit every person in Tarrant County.
