**NOTES**

- This Survey is issued without the benefit of a current title report and is subject to revision upon receipt thereof. Surveyor has done no additional research for possible easements, restrictions or covenants which may affect this property.
- All bearings shown hereon are based on the north line of said Lot 2, Block 35, Holiday North Section 10, recorded in Volume 388-172, Page 72 in the Public Records of Tarrant County, Texas.
- Unless otherwise noted, all boundary and/or lot corners for the subject property shown hereon are 1/2" iron rods set with a cap stamped "SPRY 5647".
- The Surveyor has not physically located any underground utilities and/or improvements which may be located under or near the subject property.
- Selling a portion of this addition by metes and bounds is a violation of the city Subdivision Ordinance and State platting statutes and is subject to fines and withholding of utilities and building permits.
- According to the Flood Insurance Rate Map No. 48439C0205 K, published by the Federal Emergency Management Agency, dated: September 25, 2009, a portion of the surveyed property shown hereon lies within the special flood hazard area designated as Zone "AE", inundated by the 100-year flood. A portion also lies within the special flood hazard area designated as shaded Zone "X", defined as areas between the limits of the 100-year flood and the 500-year flood; or certain areas subject to 100-year flooding with average depths of less than one (1) foot or where the contributing drainage area is less than one (1) square miles; or areas protected by levees from the base flood; further, local permitting agencies may require actual topographic support data for final determination of flood limits regarding construction permits. Additionally a portion lies within the Floodway Area in Zone "AE". The Floodway is the channel of a stream plus any adjacent floodplain areas that must be kept free of encroachment so that the 1% annual chance flood can be carried without substantial increases in the flood height. further, local permitting agencies may require actual topographic support data for final determination of flood limits regarding construction permits.
- This plat does not remove any existing covenants or restrictions, if any, on the property.
- Elevation Certificates are required by the City of North Richland Hills at form board stage and final completion for lots 1-16 shown hereon.
- This plat does not increase the number of lots in the previously recorded subdivision, nor attempt to alter or remove existing deed restrictive covenants, if any, on this property.
