

## CITY COUNCIL MEMORANDUM

**FROM:** The Office of the City Manager **DATE:** January 14, 2019

**SUBJECT:** Update on the 2018 Insurance Services Office (ISO) Review

**PRESENTER:** Stan Tinney, Fire Chief

### **GENERAL DESCRIPTION:**

Every ten years the Insurance Services Office (ISO) conducts a review of the fire department, water supply and emergency communications to determine the Public Protection Classification (PPC). Currently, NRH holds a PPC of Class 2. ISO conducted the NRH review in July of 2018 and submitted the results of the review to the State Fire Marshal Office. The State Fire Marshal Office has accepted the ISO evaluation and assigned a rating to NRH that will be effective May 1, 2019. ISO rankings range from 1 to 10, with Class 1 being the highest rating. Chief Tinney will review the results of the ranking review with the City Council.
