Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Rayneice Jones in Neighborhood Services – A resident emailed his appreciation for Rayneice's response to his complaint about a property with multiple code violations in his neighborhood. He said she is "a caring professional that takes pride in a position that is often quite frustrating. She listens to our concerns and takes the appropriate actions to remediate the code infractions. This young lady is truly an asset to our community!"
