Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Amy Stephens, Robert Alt, Jeremy Baugh, Nick Burns, Bryant Harvey and Katherine Ratcliff in Information Technology and Charles Swanigon in Communications – A department director shared her appreciation for the extra time and effort these staff members have put in since March to make sure our public meetings can take place. Without their expertise and dedication, video conference meetings such as this one we are having tonight would not happen. They are always ready and willing to troubleshoot problems and improve processes, and we appreciate all that they do.
