Kudos Korner:

Every meeting we recognize our employees for the great things they do. Tonight we recognize:

Officer Tiffany LePenna with the Police Department - An employee with a roadside assistance company expressed appreciation for Officer LePenna's help when he was aiding a stranded motorist on Loop 820. She put out cones and flares to keep him safe while he worked to replace a blown out tire. Although he ran into some issues, she was patient, helpful and by far the most professional officer he has ever encountered. He is grateful that she took the time to help. Because of her, both he and the stranded motorist made it home ok, he said.
