City of North Richland Hills  
Development Review Committee

RE: Zoning Case ZC26-0170  
Smalls Sliders – North Richland Hills – Project Narrative  
6051 Precinct Line Road

The proposed project consists of a new Smalls Sliders restaurant to be constructed on an existing paved parking area at 6051 Precinct Line Road in North Richland Hills, Texas. The site is approximately 0.67 acres and is located near the intersection of Precinct Line Road and Grapevine Highway. The development includes a 900-square-foot restaurant building with an associated drive-thru lane, parking, landscaping, utilities, drainage improvements, and other site work necessary to support the use. The project also includes approximately 470 square feet of outdoor patio seating.

Smalls Sliders is a quick-service restaurant concept specializing in made-to-order cheeseburger sliders, fries, shakes, and beverage offerings, operating in a compact format focused on drive-thru and walk-up service. The proposed restaurant will provide a convenient dining option for the surrounding community while creating new employment opportunities within North Richland Hills.

Respectfully,
