Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we have a special recognition for:

Officer Matt Boyd with the Police Department – Officer Boyd was recently commended for his response to a disturbance call involving a 12-year-old child. Officer Boyd quickly calmed the child and spent a considerable amount of time listening to the child and talking to him about his feelings and concerns. Officer Boyd took the time and extra steps to ensure that he made a lasting impression. The parents were grateful for Officer Boyd's compassionate approach with their son. His actions are a reflection of the city's core values of respect and service.
