Thank you, Mark. We already know that we will not have a quorum of P&Z on January 2, so this will put you on the January 16 P&Z meeting and January 27 City Council.

Thank you and have a great weekend,

Clayton

Hello, Clayton. As we just discussed, please move our case from the 19<sup>th</sup> to the next available P&Z meeting due to the heavy caseload on the 19<sup>th</sup>. Let us know what that scheduled date will be. Thanks! Mark Wood
