

MASTER COOPERATIVE PURCHASING AGREEMENT

This Master Cooperative Purchasing Agreement (“Agreement”), effective December 6, 2022, is made by and between the Sheriffs’ Association of Texas, Inc. (“SAT”), a Texas non-profit corporation, and the City of North Richland Hills, Texas (“End User”), a local government created under the laws of the State of Texas.

WITNESSETH

WHEREAS, SAT’s Vehicle Procurement Program (“VPP”) is a cooperative bid program where SAT solicits bids for vehicles to be purchased directly from vehicle vendors by units of local government or political subdivisions, including, but not limited to, municipalities and counties, local county boards of public instruction, and local public safety agencies or authorities; and

WHEREAS, the purpose of the VPP is to provide public procurement of quality goods to support effective and efficient government, ensuring the prudent use of public funds. This includes providing efficient delivery of products and services; obtaining best value through competition; offering fair and equitable competitive contracting opportunities for suppliers; and maintaining public confidence through ethical and transparent procurement practices; and

WHEREAS, SAT will serve as the “Contract Administrator” in the solicitation of bids process. The purpose of the solicitation for bids is to identify the most suitable manufacturer’s authorized dealer for the purchase of vehicles on a “no trade-in basis,” and

WHEREAS, the SAT Contract Administrator will award the bid to the lowest and best responsive bidder by specification and by manufacturer. The award will be determined by the price of the bid, qualifications based on a dealer’s facilities and financial resources, and demonstrated ability to perform the work in a satisfactory manner;

NOW, THEREFORE, SAT and the End User agree as follows:

1.0 **Responsibilities of the parties.**

- 1.1 The SAT will identify, solicit, and invite interested vehicle vendors, including but not limited to vehicle manufacturers, dealers and certified representatives, to submit bids for vehicles.
- 1.2 The SAT will develop and provide all necessary solicitation, bid, and contract award documents which will enable End User to purchase vehicles directly from vendors at a competitive price.
- 1.3 The SAT will consult with the End User as needed in order to facilitate End User’s purchase of vehicle through the VPP.

- 1.4 The SAT will prepare "solicitation for bid" documents in order to obtain price commitments from manufacturers and dealers for the sale of vehicles to End User.
- 1.5 The End User agrees to be bound by the SAT Vehicle Procurement Program Solicitation for Bids and Contract Terms and Conditions, which is attached hereto and incorporated by reference as if fully set forth herein.
- 1.6 The End User agrees to provide to the SAT all information and assistance requested by the SAT that is reasonably necessary to remain in compliance with the Vehicle Procurement Program Solicitation for Bids and Contract Terms and Conditions.

2.0 **Compliance with Laws.** SAT and End User each represent and warrant to the other party that each has obtained all regulatory approvals and licenses necessary to enter into and perform under the terms and conditions of this Agreement. Further, the SAT and the End User represent and warrant to the other party that each is in compliance with all applicable laws and regulations and each party covenants to remain in compliance with such laws and regulations during the term of this Agreement.

3.0 **Term.** The term of this Agreement shall commence on the date set out above and shall continue in effect for one (1) year. Thereafter, this Agreement shall renew automatically for successive one (1) year terms ending on the initial anniversary date each year.

4.0 **Termination.** This Agreement may be terminated by either party at any time without cause by written notice to the other party given at least ninety (90) days in advance of the effective date of termination.

5.0 **Trademarks and Copyrights.** The parties reserve the right to the control and use of their names and all seals, symbols, trademarks, or service marks presently existing or later established. Neither party shall use the other party's name, seals, symbols, trademarks, or service marks in advertising or promotional materials or otherwise without the prior written consent of such other party unless agreed to in this document. Any use by a party, without the approval of the other party, of the name, symbols, trademarks or service marks of such other party shall cease immediately upon the earlier of written notice of such other party or termination of this Agreement. Each party hereby grants the other party the right to use its name, address, and telephone number in connection with the other party's obligations hereunder.

6.0 **Notices.** Any notice required to be given pursuant to the terms of this Agreement shall be in writing and shall be sent by certified mail, return receipt requested, postage prepaid to the recipient at its respective address designated on the signature page of this Agreement.

7.0 **Independent Contractors.** The SAT and the End User are each acting as independent contractors under this Agreement and not as a partner, joint venture or employee of any other party to this Agreement. Each party shall be responsible for all taxes or similar charges payable with respect to any amounts received by such party under this Agreement. End User shall have no authority to bind SAT to any agreement or obligation. SAT shall have no authority to bind End User to any agreement or obligation. No party shall make any representations to the contrary.

The responsibilities of the SAT in administering the VPP are limited to those specified in the SAT Vehicle Procurement Program Solicitation for Bids and Contract Terms and Conditions, attached hereto and incorporated by reference as if fully set forth herein. This Agreement shall not create additional legal obligations for SAT beyond those specified in the attached Terms and Conditions.

8.0 **Amendments.** The parties reserve the right to amend or terminate this Agreement, as provided herein or as specified by amendment. All amendments or modifications to this Agreement must be mutually agreed to in writing by the End User and the SAT.

9.0 **Severability.** If any portion of this Agreement shall, for any reason, be invalid or unenforceable, such portion shall be ineffective only to the extent of any such invalidity or unenforceability, and the remaining portion or portions shall nevertheless be valid, enforceable, and of full force and effect.

10.0 **Waiver.** The waiver by either party of any breach of, or failure to insist upon strict compliance with, any provision of this Agreement or warranty or representation set forth herein, shall not be construed as a waiver of any prior or subsequent breach of or failure of strict compliance with the same or any other provision. The failure to exercise any right hereunder shall not operate as a waiver of such right. All rights and remedies provided for herein are cumulative.

11.0 **Entire Agreement.** This Agreement, including any exhibits or attachments hereto, contains all of the terms and conditions agreed upon by the parties regarding the subject matter of this Agreement and supersedes any prior agreements, promises, negotiations or representations, either oral or written, relating to the subject matter of this Agreement.

12.0 **Execution in Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute a single instrument.

13.0 **Assignment.** Neither party shall in any manner assign, subcontract, or otherwise delegate its rights, duties or obligations under this Agreement unless the other party approves of such assignment, subcontract, or delegation by prior written consent thereto.

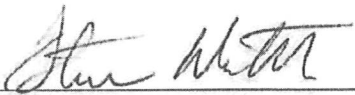

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

14.0 **Force Majeure.** The obligations of the SAT and the End User hereunder shall be excused during any period of delay or inability to perform caused by matters such as strikes, acts of God, shortages of raw materials or power, an inability to obtain products or services after the parties use their best efforts to provide such products or services, governmental action or compliance with governmental requirements, whether voluntary or pursuant to order, or any other matter which is beyond the reasonable efforts of the parties to control.

IN WITNESS WHEREOF, the undersigned parties have executed this Agreement to be effective as of the day and year shown on the first page.

RE: 2022/2023 - Vehicle Contract Year

Ricky Jones
Third Vice-President
Sheriff, Franklin County
Mount Vernon, Texas

This letter serves as the Association's official solicitation to dealers and manufacturers for the Sheriffs' Association of Texas's (SAT) 2022-2023 Vehicle Procurement Program. The SAT has made the decision to implement Section 1.3 *Term of Contract* of the Association's Terms and Conditions. The SAT will rollover all contracts currently held under Bid 22-03-1008. The rollover contract will be effective November 1, 2022 – October 31, 2023 and published as Bid 22-03-1008R.

Greg Capers
Sgt-At-Arms
Sheriff, San Jacinto County
Coldspring, Texas

In addition to rolling over all 22-03-1008 contracts, the SAT will also go out to bid for any vehicles that are not currently offered under Bid 22-03-1008. A copy of the Association's current contract can be found at <https://www.sheriffstx.org/procurement/>

Tom Maddox
Immediate Past President
Sheriff, Sabine County
Hemphill, Texas

As the Association prepares for the 2022-2023 contract year, please remember the SAT's contract will list specifically the "current model year" offered by the manufacturer. Contracts will not be limited by one model year, rather will accommodate for a change in model year during a contract period. Contract language states that each model is the "Manufacturer's standard base model specifications and current model year for model/model number listed." All models that will potentially be available for the 2022- 2023 contract year need to be made available through the SAT contract whether the model is currently listed under the existing 22-03-1008 contract or goes out to bid under 23-04-1011.

Roy Boyd
Director
Sheriff, Goliad County
Goliad, Texas

The Association's Terms and Conditions allow for a mid-year price increase. As these are volatile and unknown times for the Automotive Industry, it is the goal of the Association to ensure we can continue to work with our awarded dealers and manufacturers to serve all our customers the best we can. Contact the Association for more information on mid-year price increases.

Director
Sheriff, Culberson County
Van Horn, Texas

All vendors who agree to rollover contracts for the upcoming contract year must complete the provided rollover agreement and submit to Kaylyn Mitman at kaylyn@txsheriffs.org by June 17, 2022, as a pdf file.

Any vendors who do not wish to rollover their existing 22-03-1008 contract for the upcoming contract year must notify Kaylyn by June 17, 2022. You may choose to not rollover for all contracts or individual contracts. Please provide the list of the contracts you wish to not roll over by item number in numerical order and the reason why you wish to not roll over.

All vendors who agree to rollover their contracts for the upcoming contract year shall submit a price increase, updated build sheet, and option sheet for each item number currently on contract. Price increase requests, updated build sheets, and option sheets must be submitted to Kaylyn at kaylyn@txsheriffs.org by September 30, 2022. Requirements on how to submit your price increase requests, updated build sheets, and option sheets will be provided by the SAT. Please note the rollover pricing will not go in effect until November 1, 2022.

Enclosed you will find the SAT's Vehicle Procurement Program's official 2022-2023 bid calendar. All bidding for Bid 23-04-1011 will be completed through the Association's online bid system, VendorLink. All dealers who wish to participate must register with VendorLink to have access to submit a bid. All dealers will be responsible for uploading build sheets, option sheets (must include list of models available for upgrades/downgrades), and all required bid documents.

Registration for Bid 23-04-1011 will be open June 10, 2022 through September 15, 2022. We encourage you to complete your registration as soon as possible. If you already have an account with VendorLink you do not need to create a new account. No bids or required documents will be accepted outside of VendorLink, and the Association will not accept any hard bid submissions for Bid 23-04-1011. All contracts will go into effect on November 1, 2022.

The SAT looks to our dealer and manufacturer partners for recommendations on which new models to add to our program. As the Association works to prepare the first draft bid package, please complete the "Add/Delete Form" and provide to Kaylyn by **June 24, 2022**. We encourage all bidders to pick the most popular base models you wish to include and have all other applicable upgrade/downgrades listed on the option sheet that will be uploaded with your bid.

We look forward to growing and providing the benefits of our cooperative bid program to even more county and city agencies within Texas. Additional information on our Vehicle Procurement Program can be accessed at <https://www.sheriffstx.org/procurement>. Once you are on the website you will find information on the existing open bids, important documents such as the program's Terms and Conditions, and other bid support documentation. All important documents relating to the 2022-2023 bid period will also be available on VendorLink.

We hope you will participate in this year's rollover and bidding processes. Please contact Kaylyn Mitman at kaylyn@txsheriffs.org or at (919) 459-6471 should you have any questions regarding your registration or overall participation.

If your company received this solicitation but are not eligible to sell within the State of Texas, please contact Kaylyn Mitman at kaylyn@txsheriffs.org to be removed from our distribution list.

I look forward to working with you. Please contact me at (919) 459-8195 or at jason@txsheriffs.org if you have any questions or need additional information on the Association's Vehicle Procurement Program.

Vehicle Procurement

Welcome to the Sheriffs' Association of Texas Vehicle Procurement Program

The goal of the SAT's Vehicle Procurement Program is a cooperative bid program that achieves competitive pricing on police rated, special service, and administrative vehicles, trucks, and vans. The association's program helps to eliminate duplication of effort through the creation of one statewide bid that can be used by all 254 Sheriff's Offices in Texas, as well as units of local governments and political subdivisions including, but not limited to, county, local county board of public instruction, municipalities and/or police agencies.

Our role is to act as an advocate for your agency during the purchasing process and to provide Texas with a program that delivers great financial savings along with quality customer service, while using a system that is easy to navigate.

If you have any questions about the association's Vehicle Procurement Program please contact Jason Bennett at 919-459-8195 or jbennett@ncsheriffs.net.

Purchasing agencies: please don't forget to submit a copy of your purchase orders to Kaylyn Mitman at kmitman@ncsheriffs.net.
