PRESENTER: Adrien Pekurney, Director of Parks and Recreation

SUMMARY:

This item is for the purchase of fitness equipment to replace four Life Fitness treadmills with Woodway Treadmills for the NRH Centre. Items will be purchased through Buy Board Contract No. 764-25. with Risher Fitness Equipment.

GENERAL DESCRIPTION:

The FY 2026 adopted budget for the NRH Centre includes funding to replace four Life Fitness treadmills with Woodway treadmills, continuing the Centre's phased approach to equipment replacement. This strategy supports the Centre's commitment to maintaining high-quality, commercial-grade fitness equipment and is guided by usage data, equipment age, and maintenance trends. The current Life Fitness treadmills, now in their fifth year of service, have experienced increased wear due to high usage and limited availability of replacement parts.

Six Woodway treadmills were installed in FY 2024/25 and have received positive feedback from members. The FY 2026 purchase will replace four additional units, allowing staff to continue evaluating performance and member satisfaction as part of future replacement planning. Woodway's Slat Belt Technology offers benefits such as enhanced durability, reduced maintenance needs, and a cushioned running surface that supports joint health, features well-suited for the Centre's high-traffic environment.

A quote of \$56,666.84 was obtained through the BuyBoard cooperative purchasing program from Risher Fitness Equipment, a vendor with a strong service history at the NRH Centre.

RECOMMENDATION:

Authorize purchase of fitness equipment for the NRH Centre from Risher Fitness Equipment in the amount of \$56,666.84 utilizing Buy Board Contract No. 764-25.
