Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Krista Henry at the NRH Centre – A parent emailed her appreciation for Krista's help in working through some scheduling challenges so that her child could continue swim lessons for the fall session. She was very complimentary of Krista and the swim program stating: "I don't think you guys hear it enough but thank you for all you do. You guys do an amazing job and always are so sweet to work with. We have loved all the swim teachers we have had and have been super impressed with what you guys have created! Thank you for letting us be a part of it!"
