City of North Richland Hills

RE: SCADA System proprietary work

To Whom It May Concern:

We appreciate the continued opportunity to work with the City of North Richland Hills. WHECO designed, installed and programmed the City of North Richland Hills' SCADA system. Due to that fact, WHECO is the sole source for maintaining and updating the current SCADA system.

If you have any questions, please give me a call.

Sincerely;

A handwritten signature in black ink, appearing to read 'Kent Meyerhoeffler'.

Kent Meyerhoeffler
