Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Scott Pearce and Jackson Boyd in the Parks Department – During one of last month's storms, a large tree on city-owned property fell and blocked the entrance to Smithfield Cemetery. Scott and Jackson responded to a call for help from the cemetery and were able to remove the tree the same day. We received a note of appreciation for their hard work. It said: "Smithfield Cemetery is an active cemetery with lots of visitors paying their respects to loved ones daily. Thank you for quickly coming to our aid." Great job, guys!
