Quotation

prepared for

North Texas Anti-Gang Center
Attn: K. Scott McRory
6303 Commerce Street, Suite 100
Irving, TX 75063

Project Description:

Evofinder Ballistic Identification System for a Single PC Configuration with
One Data Acquisition Station (DAS) - Model 10 Scanner

Quote Number: 24185 issued by Leeds Precision Instruments, Inc.

This quote is valid from:

November 6, 2025 to March 21, 2026

Shipping: FOB DEST

Terms: Domestic – NET 30 (with open account)

International – Prepayment in US Funds or Letter of Credit, either
of which is executed prior to the date of shipment of goods.

Delivery: Will ship within 90 days of receipt of a Purchase Order, subject to
acts of God, or other causes beyond the reasonable control of Leeds.

***Pricing: Due to the market variability surrounding tariffs, pricing is
subject to change without notice. Leeds reserves the right to
withdraw this quotation at any time prior to its acceptance.***

Respectfully submitted for Leeds Precision Instruments, Inc. by:
Neal Schrode, Evofinder Project Manager and Vice President

			has no annual licensing or maintenance fees. ***Note: For an Evofinder system that includes only one DAS and no EWS, both licenses can be hosted on the same PC, however, the PC provided must meet the performance requirements of both licenses. It is also noted that if a single PC is used, the system performance will be limited when trying to conduct correlation and sample scans at the same time as these processes will compete for processor resources.		
LFS-DAS-LAN	1	ea	DATA ACQUISITION STATION (DAS) Data Acquisition Station (DAS) – client software license The DAS software license is for a single (permanent) fixed license for use with the Evofinder Scanner and Specimen Analysis System (server) to provide an interface with the Evofinder system for purposes of: <ul style="list-style-type: none"> - Scanning Bullet samples for the acquisition of the full bearing surface to generate a single 3D image for each sample to be used with the Evofinder system. - Scanning Cartridge Case samples for the acquisition of the full head stamp and (optionally) side surface to generate a single 3D image for the Evofinder system. - Retrieve images from the server for purposes of visualization and virtual comparison microscopy (VCM) to allow for side-by-side comparison of any samples. - Adjust the sample images for sample orientation, sample position, lighting orientation, magnification, automatic image alignment, and contrast modes for images. - Measurement and annotation of sample features and comparison notes. 	49,400.00	49,400.00T

TERMS AND CONDITIONS FOR EVOFINDER MODELS

ORDER TERMS AND ACCEPTANCE: All customer orders are subject to these Terms and Conditions. Any inconsistent or conflicting terms in any purchase order, or other customer communication, cannot supersede or modify these Terms and Conditions, and are expressly rejected. All orders are subject to acceptance by Leeds and no provision of goods or services by Leeds will be deemed to be an acceptance of conflicting or inconsistent terms, or a waiver of these Terms and Conditions.

If the customer is the federal government, a state government, an agency of the federal or state government, or a political subdivision of any state, including, but not limited to, any county, city, or municipality, these Terms and Conditions shall be deemed to be subject to the mandated terms and conditions of any said government as they relate to government purchases.

Any transactions with Leeds for products or services will be governed by the laws of the State of Minnesota applicable to contracts and accepted and to be performed in Minnesota, without regard to applicable conflicts of law principles. Any action relating to any Leeds transactions, or these Terms and Conditions, will be brought in the applicable federal or state courts located in Hennepin County, Minnesota. By placing orders with Leeds, each customer irrevocably submits to the jurisdiction and venue of such courts.

SHIPPING: Leeds will attempt to honor special shipping requests, but reserves the right to select the carrier and manner of shipment. All shipping and delivery dates provided are estimates only, and customer will pay all applicable shipping and handling charges. All products are sold and shipped F.O.B. Plymouth, Minnesota, with title and risk of loss passing to customer upon tender to carrier.

PRICING AND PAYMENT: Leeds reserves the right to withdraw this quotation at any time prior to its acceptance. Prices and applicable discount terms are subject to change without notice, and orders will be filled and shipped at prices confirmed on acceptance. Except as otherwise quoted by Leeds, pricing is exclusive of all applicable sales, use or similar taxes, which will be the sole liability of customer. Unless customer has been granted credit terms, all customer purchases are payable prior to shipment. Without Leeds' prior written consent, payment by credit card is not permitted in excess of \$5000.

PRODUCT ACCEPTANCE: In case of any shortage or product damage, customers must notify delivering carrier and Leeds immediately, and must file a carrier claim within 10 days of receipt. Leeds will provide necessary supporting claim information and documentation on request. Leeds will use best efforts to expedite reorders for missing or damaged products, which will also remain subject to Leeds' Terms and Conditions.

LIMITED WARRANTY: ScannBI Technology Europe GmbH ("ScannBI"), the manufacturer of the Evofinder (the "Product"), warrants that the Product shall be free from defects in materials and workmanship for a period of one year from the date of installation of the Product. ScannBI shall have the right to inspect the Product and to investigate all warranty claims for the purpose of determining whether the Product is defective. If ScannBI determines that the Product is defective and covered by the limited warranty, then ScannBI shall, at its option, either repair, or replace, the defective Product. ScannBI's liability, and buyer's exclusive remedy, for any such defect shall be limited solely to such repair, or replacement.

The effectiveness of the limited warranty set forth above is expressly conditioned upon (i) buyer having stored, maintained, and operated the Product in a manner consistent with ScannBI's written instructions and standard industry practices and that the Product has not been damaged as a result of negligence, improper handling, or accident; (ii) no modification, or alteration, of the Product was made without the written consent of ScannBI; and no one other than parties approved and authorized by ScannBI have been engaged by buyer to make any repairs to the Product.

SOFTWARE UPDATES: ScannBI Technology Europe GmbH ("ScannBI"), will provide updates to the latest version of the Evofinder (the "Product") system software if issued within the warranty period.

THE WARRANTY CONTAINED IN THIS SECTION IS IN LIEU OF, AND EXCLUDES, ALL OTHER WARRANTIES, EXPRESS, OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE.

BUYER'S SOLE AND EXCLUSIVE REMEDY ON ANY CLAIM OF ANY KIND FOR ANY LOSS OR DAMAGE ARISING OUT OF, OR IN ANY WAY RELATED TO, THE MANUFACTURE, SALE, OR DELIVERY OF THE PRODUCT SHALL BE AS PROVIDED HEREIN

AND SHALL, IN NO CASE, EXCEED THE LESSER OF THE COST OF REPAIR, OR REPLACEMENT. SCANNBI SHALL NOT BE LIABLE IN CONTRACT, OR IN TORT, TO BUYER OR ANY OTHER PERSON, OR ENTITY, FOR ANY SPECIAL, OR INCIDENTAL, OR CONSEQUENTIAL DAMAGES WITH RESPECT TO SCANNBI'S OBLIGATIONS HEREUNDER, SUCH AS, BUT NOT LIMITED TO, DAMAGE TO, LOSS OF, LOSS OF THE USE OF, OTHER PROPERTY, EQUIPMENT, OR DATA, OR LOSS OF PROFITS, OR REVENUES.

Components, or products, produced by other manufacturers are warranted by ScannBI only to the extent that they are warranted by their manufacturer. This warranty is non-transferable, non-assignable and may only be enforced by the buyer.
