APPROVED WITH CONDITIONS

Commissioner Risky returned to the Chamber at 7:55 p.m.

Chair Welborn introduced the item, opened the public hearing, and called for Principal Planner Clayton Husband to introduce the item.

Chair Welborn called for the applicant to present the request.

Jason Haynie, 7409 Bursey Road, North Richland Hills, Texas, presented the request. He discussed the prior improvements made to the property and the existing accessory building. Mr. Haynie stated that he has intended to convert this building into an accessory dwelling unit since purchasing the property. He discussed his plan to construct a second accessory building for use as a hobby shop and storage space. He also discussed the design of the two buildings and the variances requested for the units including roof pitch and separate electric meter for the accessory building.

Commissioner Ross and Mr. Haynie discussed plans for a driveway to the rear accessory building.

Commissioner Narayana and Mr. Haynie discussed the size of the primary residence and the accessory dwelling unit.

Chair Welborn called for Mr. Husband to present the staff report. Mr. Husband presented the staff report.

Commissioner Ross and Mr. Husband clarified that the applicant could construct a driveway to the permanent accessory building with a paving permit at any time after the building was constructed.

Commissioner Narayana and Mr. Husband discussed the comparison of the square footage of the primary residence and the accessory buildings.

Commissioner Goetz and Mr. Husband discussed the height of the permanent accessory building and its location in relation to the surrounding houses.

Commissioner Narayana, Mr. Husband, and Mr. Haynie discussed how the trees on the property would be affected by construction of the accessory building. Mr. Haynie stated that he selected the location to maintain as many trees as possible and to maintain the neighbor's privacy.

Chair Welborn called for anyone wishing to speak for or against the request to come forward. There being no one else wishing to speak, Chair Welborn closed the public hearing.

A MOTION WAS MADE BY COMMISSIONER ROSS, SECONDED BY COMMISSIONER BRIDGES TO APPROVE ZC23-0074 WITH THE ALLOWANCE FOR A SEPARATE ELECTRIC METER FOR THE PERMANENT ACCESSORY BUILDING.

MOTION TO APPROVE CARRIED 6-0.

C.4 ZC23-0081 PUBLIC HEARING AND CONSIDERATION OF A REQUEST FROM KIMLEY HORN AND ASSOCIATES FOR A SPECIAL DEVELOPMENT PLAN FOR A NEW SMITHFIELD MASONIC LODGE BUILDING AT 6820-6828 MICKEY COURT, BEING 0.82 ACRES DESCRIBED AS LOTS 13-15, BLOCK 3, WE ODELL ADDITION.

CONTINUED

Chair Welborn introduced the item, opened the public hearing, and called for Planning Director Clayton Comstock to introduce the request. Mr. Comstock introduced the request.

Chair Welborn called for the applicant to present the request.

Josh Eames, Presidium, 3100 McKinney Avenue, Suite 250, Dallas, Texas, presented the request. Mr. Eames discussed the approval of the Presidium project and the impact of this project on the existing Smithfield Masonic Lodge. He discussed Presidium's collaboration with city staff and the Lodge members to design a new building. Mr. Eames discussed the design of the new building and the construction of the private drive from Northeast Parkway to Mickey Street.

Brandon Arnold, 6402 Kinshire Court, Colleyville, Texas, discussed the history of the Smithfield Masonic Lodge, the values the Freemasons, and the service and volunteer work done by the Smithfield Lodge. He discussed the hours that the lodge is open, the date of meetings and events, and the attendance at these events.

Commissioner Ross and Mr. Arnold discussed the Lodge's collaboration with Presidium.

Chair Welborn and Mr. Arnold discussed the Lodge's move from Main Street.

Chair Welborn called for Mr. Comstock to present the staff report. Mr. Comstock presented the staff report.

Chair Welborn and Mr. Eames discussed the location and screening of mechanical equipment on the building.

Commissioner Goetz and Mr. Comstock discussed the requested waiver from the masonry screening wall requirement to allow a wood fence.

Commissioner Ross and Mr. Comstock discussed the private drive from Northeast Parkway to Mickey Street and the maintenance of and access to the drive.

Commissioner Ross and Mr. Comstock discussed the possibility of extending the sidewalk north from Northeast Parkway along Davis Boulevard.

Commissioner Narayana and Mr. Comstock discussed the number of proposed parking spaces and the design of the existing building on Main Street.

Commissioner Narayana and Larry Williams, Kimley-Horn and Associates, 13455 Noel Road, Dallas, Texas, discussed the grading of the property and the location of the proposed retaining wall on the property.

Commissioner Narayana discussed her concerns with locating the Lodge building within the TOD as it does not meet the standards of the district.

Commissioner Risky stated his desire for the Lodge building to be visible and stated the Lodge should be able to make design decisions since they have to move to accommodate new development.

Chair Welborn discussed his concerns with the landscaping of the property and the loss of trees. He stated the sidewalk along the private drive should continue down to Northeast Parkway to promote Safe Routes to School.

Commissioner Ross stated his concerns about the street being used as parking for Smithfield Elementary.

Chair Welborn called for anyone wishing to speak for or against the request to come forward.

Jackie Hamon, 8025 Mickey Street, North Richland Hills, Texas, spoke in opposition to the request. Mrs. Hamon stated her concerns about the access to Mickey Street due to the narrow width of the street. She stated that the street would be used as a cut through and that it would not be able to accommodate increased traffic.

There being no one else wishing to speak, Chair Welborn closed the public hearing.

Commissioner Ross and Mr. Comstock discussed the possibility of the private drive being constructed as a cul de sac and the connection to Mickey Street contemplated on the previously adopted plan.

Commissioner Ross and Mr. Comstock discussed the intent of dead end streets and how these streets affect turn-around traffic.

Chair Welborn discussed waivers in past special development plan requests and how these fit into the TOD district. He stated that he did not think that this design belonged in the TOD and he discussed ways to modify the elevation and screening to maintain the character of the district.

Ex-Officio Luppy stated she understands the neighbor's concerns but thinks the Masonic Lodge needs some flexibility since they must move from their location. She stated the building does not meet architectural design standards for the TOD and the

design needs updating to fit the character of the district.

Chair Welborn stated that he does think there will be additional cut through traffic on Mickey Street during school hours but that the connection is important and should be included in the plan.

Chair Welborn and Commissioner Narayana discussed her suggested revisions to the site plan to align the development more with the TOD code.

Mr. Eames discussed the partnership between the City and Presidium for redeveloping Main Street. Mr. Eames also discussed the design features on the site that were requested by the Lodge.

Commissioner Goetz stated that she likes the design of the building as it stands out in the TOD and maintains the history of the Lodge.

Commissioner Risky, Commissioner Narayana, and Commissioner Goetz discussed the possibility of angled-in street parking along the private drive.

Commissioner Goetz stated that she supports the plan but does not support the waiver from the masonry screening requirement.

A MOTION WAS MADE BY COMMISSIONER RISKY, SECONDED BY COMMISSIONER ROSS, TO APPROVE ZC23-0081.

MOTION TO APPROVE FAILED 1-5, WITH COMMISSIONER RISKY VOTING IN FAVOR.

Commissioner Ross stated his support for the plan and concerns about the traffic flow and TOD waivers.

Chair Welborn and Mr. Comstock discussed the possibility of continuing the request to the next meeting.

Commissioner Narayana discussed possible changes to bring the site plan more in line with the TOD Code.

Mr. Eames stated that the parking and drop-off area was designed to accommodate older members of the Lodge.

Commissioner Goetz stated that her only concern with the plan was the requested waiver to the masonry screening wall requirement.

Chair Welborn discussed his concerns with the design of the building and believed a new design could be made to tie in the historic character of the district.

Commissioner Ross discussed the possibility of a smaller parking lot, on-street parking, and the addition of traffic calming devices on Mickey Street.

Ex-Officio Luppy stated her concerns about the design of the building.

Commissioner Bridges stated his concerns about the requested waiver to the masonry screening wall requirement and the traffic impacts of the new connection on Mickey Street.

Commissioner Risky and Mr. Eames discussed the possibility of having a revised site plan developed by the October 5, 2023, meeting.

Chair Welborn and Mr. Comstock discussed the possibility of continuing the request to the October 19, 2023, meeting.

Commissioner Risky and Mr. Eames discussed the financing of the lot and the logistics of the land swap.

A MOTION WAS MADE BY COMMISSIONER NARAYANA, SECONDED BY COMMISSIONER BRIDGES TO CONTINUE ZC23-0081 TO THE OCTOBER 19, 2023, MEETING.

MOTION TO CONTINUE CARRIED 6-0.
