Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Robert Alt in Information Technology – The director of the NRH Library sent a note of appreciation to Robert and the IT Department for replacing the library's public computers. She was impressed with how Robert completed the job so quickly and with absolutely no interruption to library services. She said the new computers will be a huge benefit to library users and will reduce stress for staff. She and the library staff are very grateful.
