

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** April 24, 2023
SUBJECT: PLAT23-0034 Consideration of a request from ANA Consultants LLC for a final plat of St. Joseph Estates, being 3.35 acres located at 7704 Davis Boulevard.
PRESENTER: Clayton Comstock, Planning Director

SUMMARY:

ANA Consultants is requesting approval of a final plat of a new phase of St Joseph Estates. This 3.35-acre property is located at 7704 Davis Boulevard.

GENERAL DESCRIPTION:

The property under consideration is a 3.353-acre tract located on the east side of Davis Boulevard between Freedom Way and Patricks Path. The site abuts an existing drainage channel and an automotive repair shop on the south, and shares a common property line with the Liberty Village subdivision on the north.

The property is zoned RI-PD (Residential Infill Planned Development). The zoning was approved by City Council on January 10, 2022 (Ordinance 3724). The proposed development includes 12 single-family residential lots with a density of 3.58 dwelling units per acre. The typical lot size is 54 feet wide and 120 feet deep. The minimum lot size is 6,000 square feet, with an average lot size of 8,527 square feet.

The development consists of a single cul de sac street with access to Davis Boulevard. Nine of the lots are located on the north side of the street. The three lots on the south side of the street are adjacent to the drainage channel. The right-in/right-out street intersection design has received approval from the Texas Department of Transportation.

The development incorporates approximately 11,989 square feet of open space, which makes up 8.2% of the site. The majority of the open space is located in a lot at the northeast corner of the Davis Boulevard intersection. This lot is adjacent to the open space lot in the Liberty Village subdivision. An open space landscape strip is also located on the south side of the street adjacent to the automotive repair shop. Landscaping on this lot would provide screening from the adjacent use. There are two additional open space medians located at the entrance and within the cul de sac.

LAND USE PLAN: This area is designated on the Land Use Plan as Office Commercial. This designation encourages professional, medical, and administrative offices, such as traditional office buildings, executive suites, and co-working spaces. It also encourages limited commercial establishments that benefit adjacent and nearby residential areas, and in which all business is conducted indoors. The designation remains from a larger land

area prior to approval of the St. Joseph Estates residential subdivision. The remainder is a 180-foot wide and 660-foot deep mid-block parcel surrounded by mostly residential uses. The City has also approved a series of infill residential neighborhoods in this immediate vicinity of Davis Boulevard, including La Fontaine, Liberty Village, and St. Joseph Estates.

CURRENT ZONING: The property is zoned RI-PD (Residential Infill Planned Development). The zoning for this property was approved by City Council on January 10, 2022 (Ordinance 3724).

TRANSPORTATION PLAN: The development has frontage on the following streets. Right-of-way dedication is not required on the plat.

STREET	FUNCTIONAL CLASSIFICATION	LAND USE CONTEXT	DESIGN ELEMENTS
Davis Boulevard	P6D Major Arterial	Suburban Commercial	6-lane divided roadway variable right-of-way width

SURROUNDING ZONING | LAND USE:

DIRECTION	ZONING	LAND USE PLAN	EXISTING LAND USE
NORTH	PD (Planned Development)	Low Density Residential	Single-family residences (Liberty Village)
WEST	C-1 (Commercial)	Office Commercial	Retail shop
SOUTH	C-1 (Commercial) PD (Planned Development)	Office Commercial Low Density Residential	Automobile repair shop Single-family residences (St Joseph Estates)
EAST	R-2 (Single-Family Residential)	Low Density Residential	Single-family residences (Meadowview Estates)

PLAT STATUS: The property is platted as Lot 12, Block 2, St Joseph Estates. A Preliminary Plat for St. Joseph Estates was approved by City Council on March 28, 2022 (PLAT22-0011). This final plat is consistent with the approved preliminary plat.

ROUGH PROPORTIONALITY DETERMINATION: The developer is responsible for 100% of all paving, water, sanitary sewer, and drainage infrastructure needed to support the development in accordance with City design criteria.

PLANNING AND ZONING COMMISSION: The Planning and Zoning Commission considered this item at the April 6, 2023, meeting and voted 6-0 to approve the plat with the conditions outlined in the Development Review Committee comments. The applicant has revised the plat to address all conditions.

DRC REVIEW & RECOMMENDATION: The Development Review Committee (DRC) recommends approval of the plat, which is in conformance with the subdivision regulations and the zoning ordinance.

RECOMMENDATION:

Approve PLAT23-0034.
