SUMMARY:

The Society of Saint Pius X of Fort Worth Inc is requesting approval of a replat of Lot 4R, Block 1, Calloway Acres. This 1.147-acre property is located at 3900 Scruggs Drive.

GENERAL DESCRIPTION:

The 1.147-acre property is generally located on the east side of Scruggs Drive between Boulevard 26 and Glenview Drive and near the intersection of Harmonson Road. The property also fronts Parchman Street. It is the site of Our Lady of Mount Carmel Roman Catholic Church, which was constructed in the late 1960's. The current owner acquired the property in 1992.

The replat is intended to create a single lot for the church site, which would allow for building permits to be issued on the property. The property was recently rezoned to the U (School, Church, and Institutional) district to consolidate the parcels into a single zoning district.

LAND USE PLAN: This area is designated on the Land Use Plan as Community Services and Parks/Open Space. The Community Services designation provides for non-profit activities of an educational, religious, governmental, or institutional nature. Schools, churches, hospitals, governmental buildings, fire stations, and public utilities are examples.

CURRENT ZONING: The zoning is U (School, Church, and Institutional). This district is intended to permit only nonprofit activities of an educational, religious, governmental, or institutional nature. The zoning for this property was approved by City Council on September 25, 2023 (Ordinance 3812).
