

NRH Pop Up Gallery at Kindred Coffee Co.—The artists have been chosen to appear in the January 2019 NRH Pop Up Art Gallery Exhibition. The Pop Up Gallery will take place at **Kindred Coffee Company, 8700 North Tarrant Parkway**. The NRH Pop Up Gallery was implemented as an opportunity to explore the role of art and artists as agents of revitalization and municipal development. The NRH Pop Up Gallery is an outstanding opportunity for selected emerging and mid-career artists to have their work included in a municipal public art program. Selected artists will receive recognition at an official **artist’s reception to be held on Friday, January 25, 2019 from 7:00 to 9:00 p.m.** and the exhibition will remain on display for a month, closing on Friday, February 22. www.nrhpopupgallery.com.

2019 Sounds of Spring Line Up Announced—The 2019 Sounds of Spring concert series will again be located at the NRH City Hall Plaza, located at 4301 City Point Drive, after a great season last year. The location change last year had several advantages for audiences, including improved sight lines and added space for seating, along with more accessible parking. The beautiful municipal building provided a striking backdrop for the concerts, with a built-in stage at the front of the rotunda and the series was well attended.

Food available for purchase from a variety of gourmet food trucks and the ever-popular Kids Zone with free games and crafts on site at each concert. Picnic seating will be available to everyone on a first-come basis, so bring your lawn chairs and blankets. Admission is free and parking is free. Gates open at 6 p.m. and the shows starts at 7 p.m. We look forward to seeing you each Friday, beginning April 12 through May 17, 2019. More information [here](#).

Temporary Trail Closures—Portions of the Cotton Belt Trail will be temporarily closed over the next 2 months for replacement of damaged concrete panels. TEXRail contractors are scheduled to begin this work on Monday, January 21, starting at Precinct Line Road and moving west with 137 panels slated for replacement. Signs will be placed along sections of the trail to notify users of trail closures and it has been posted on our social media outlets. We apologize for any inconvenience during this period of maintenance and repair. This is the final phase of work to restore the trail adjacent to the new commuter rail line.
