2. Except as shown on the survey, there are no observable, above ground encroachments (a) by the improvements on the subject property upon adjoining properties, streets or alleys, or (b) by the improvements on adjoining properties, streets or alleys upon the subject property.
3. The location of each easement, right of way, servitude, and other matters affecting the subject property and listed in the title insurance commitment with an effective date of August 22, 2021, issued by Allegiance Title Company with respect to the subject property has been shown on the survey, together with appropriate recording references, to the extent such matters can be located. The property shown on the survey is the property described in that title commitment. The location of all improvements on the subject property is in accord with minimum setback provisions and restrictions of record referenced in such title commitment.
4. That the subject property has access to and from a duly dedicated and accepted public street or highway.
5. The subject property does not serve any adjoining property for drainage, utilities, or ingress or egress.
6. The record description of the subject property forms a mathematically closed figure.
7. Said described property is located within an area having a Zone Designation X by the Secretary of Housing and Urban Development on Flood Insurance Rate Map No. 48439C0205L, with a date of Identification of 3/21/2019, for Community No. 480607, in Tarrant County, State of Texas which is the current Flood Insurance Rate Map for the community in which the subject property is located.

SURVEYOR'S CERTIFICATE

This survey is made relying on information provided by Allegiance Title Company in connection with the transaction described in GF# 21125243-ALPL. The undersigned, being a registered land surveyor of the State of Texas certifies to Grand Properties, LP, a Texas limited partnership and Allegiance Title Company as follows:

This is to certify that this map or plat and the survey on which it is based were made in accordance with the "Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys," jointly established and adopted by ALTA and NSPS in 2016 and includes Items 1, 2, 3, 4, 7(a), 7(c), 8, 9, 13 and 14 of Table A thereof. Pursuant to the Accuracy Standards as adopted by ALTA and NSPS and in effect on the date of this certification, undersigned further certifies that in my professional opinion, as a land surveyor registered in the State of Texas, the Relative Positional Accuracy of this survey does not exceed that which is specified therein. The survey was made on the ground 9/17/2021.

The parties listed above are entitled to rely on the survey. Executed this 17th day of September, 2021.
