 6. Exhibit 2, Successful Respondent's Response to RFO DIR-CPO-TMP-570, including all Addenda.

- B. Each of the foregoing documents is hereby incorporated by reference and together constitute the entire agreement between DIR and Successful Respondent.

1.4 Definitions

Capitalized terms used but not defined herein have the meanings given to them in **Appendix A, Standard Terms and Conditions.**

2 TERM OF CONTRACT

The initial term of this Contract shall be up to two (2) years commencing on the date of the last signature hereto (the “Initial Term”), with one (1) optional two-year renewal and two (2) optional one-year renewals (each, a “Renewal Term”). Prior to expiration of the Initial Term and each Renewal Term, this Contract will renew automatically under the same terms and conditions unless either party provides written notice to the other party at least sixty (60) days in advance of the renewal date stating that the party wishes to discuss amendment or non-renewal.

3 OPTION TO EXTEND

Successful Respondent agrees that DIR may require continued performance under this Contract at the rates specified in this Contract following the expiration of the Initial Term or any Renewal Term. This option may be exercised more than once, but the total extension of performance hereunder shall not exceed ninety (90) calendar days. Such extension of services shall be subject to the requirements of the Contract, with the sole and limited exception that the original date of termination shall be extended pursuant to this provision. DIR may exercise this option upon thirty (30) calendar days written notice to the Successful Respondent.

4 PRODUCT AND SERVICE OFFERINGS

Products and services available under this Contract are limited to the technology categories defined in Request for Offer DIR-CPO-TMP-570 for Software, Commercial Off-the-Shelf (COTS) and Related Services. At DIR’s sole discretion, Successful Respondent may incorporate changes or make additions to its product and service offerings, provided that any changes or additions must be within the scope of the RFO.

5 PRICING

5.1 Pricing Index

Pricing to Customers shall be as set forth in **Appendix C, Pricing Index**, and shall include the DIR Administrative Fee (as defined below).

5.2 Customer Discount

- A. The minimum Customer discount for all products and services will be the percentage off List Price (as defined below) or MSRP (as defined below), as applicable, as specified in **Appendix C, Pricing Index**. Successful Respondent shall not establish a List Price or MSRP for a particular solicitation. For purposes of this Section, "List Price" is the price for a product or service published in Successful Respondent's price catalog (or similar document) before any discounts or price allowances are applied. For purposes of this Section, "MSRP," or manufacturer's suggested retail price, is the price list published by the manufacturer or publisher of a product and available to and recognized by the trade.
- B. Customers purchasing products or services under this Contract may negotiate additional discounts with Successful Respondent. Successful Respondent and Customer shall provide the details of such additional discounts to DIR upon request.
- C. If products or services available under this Contract are provided at a lower price to: (i) an eligible Customer who is not purchasing those products or services under this Contract, or (ii) to any other customer under the same terms and conditions provided for the State for the same products and services under this contract, then the price of such products and services under this Contract shall be adjusted to that lower price. This requirement applies to products or services quoted by Successful Respondent for a quantity of one (1), but does not apply to volume or special pricing purchases. Successful Respondent shall notify DIR within ten (10) days of providing a lower price as described in this Section, and this Contract shall be amended within ten (10) days to reflect such lower price.

5.3 Changes to Prices

- A. Subject to the requirements of this section, Successful Respondent may change the price of any product or service upon changes to the List Price or MSRP, as

applicable. Discount levels shall not be subject to such changes, and will remain consistent with the discount levels specified in this Contract.

- B. Successful Respondent may revise its pricing by publishing a revised pricing list, subject to review and approval by DIR. If DIR, in its sole discretion, finds that the price of a product or service has been increased unreasonably, DIR may request that Successful Respondent reduce the pricing for the product or service to the level published before such revision. Upon such request, Successful Respondent shall either reduce the pricing as requested or shall remove the product or service from the pricing list for this Contract. Failure to do so will constitute an act of default by Successful Respondent.

5.4 Shipping and Handling

Prices to Customers shall include all shipping and handling fees. Shipments will be Free On-Board Customer's Destination. No additional fees may be charged to Customers for standard shipping and handling. If a Customer requests expedited or special delivery, Customer will be responsible for any additional charges for expedited or special delivery.

5.5 Travel Expenses

Pricing for services provided under this Contract are exclusive of any travel expenses that may be incurred in the performance of such services. Travel expense reimbursement may include personal vehicle mileage or commercial coach transportation, hotel accommodations, parking, and meals; provided, however, the amount of reimbursement by Customers shall not exceed the amounts authorized for state employees as adopted by each Customer; and provided, further, that all reimbursement rates shall not exceed the maximum rates established for state employees under the current State Travel Management Program. Travel time may not be included as part of the amounts payable by Customer for any services provided under this Contract. The DIR Administrative Fee is not applicable to travel expense reimbursement. Anticipated travel expenses must be pre-approved in writing by the Customer. The Customer reserves the right not to pay travel expenses which are not pre-approved in writing by the Customer.

6 DIR ADMINISTRATIVE FEE

- A. Successful Respondent shall pay an administrative fee to DIR based on the dollar value of all sales to Customers pursuant to this Contract (the “DIR Administrative Fee”). The amount of the DIR Administrative Fee shall be seventy-five hundredths of a percent (0.75%) of all sales, net returns and credits. For example, the administrative fee for sales totaling \$100,000 shall be \$750.
- B. All prices quoted to Customers shall include the DIR Administrative Fee. DIR reserves the right to increase or decrease the DIR Administrative Fee during the term of this Contract, upon written notice to Successful Respondent without amending this Contract. Any increase or decrease in the DIR Administrative Fee shall be incorporated in the price to Customers.

Successful Respondent shall enter into contracts with Order Fulfillers and use terms and conditions that are consistent with the terms and conditions of this Contract.

- A. Customers acquiring software licenses under this Contract shall hold, use, and operate such software subject to compliance with the Software License Agreement.
