Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Michael Carranza in Building Inspections – A resident called to express his thanks after Michael found and returned his lost wallet. The resident had accidentally left the wallet on the trunk of his vehicle when pumping gas and it fell off after he drove away. He didn't realize it was missing until Michael showed up at his front door with it. He appreciated Michael's actions, which saved him the hassle and frustration of having to cancel credit cards, etc. He said there are not many honest people in this world and he wanted to make sure Michael is recognized for his actions.
