

CAPITAL IMPROVEMENT ADVISORY COMMITTEE MEMORANDUM

FROM: The Office of the City Manager **DATE:** July 20, 2017

SUBJECT: Consideration and action regarding the Water and Wastewater Impact Fee Study.

PRESENTER: Caroline Waggoner, City Engineer

SUMMARY:

City staff and Freese & Nichols, the City's engineering consultant, will present the recently completed Water and Wastewater Impact Fee Study.

GENERAL DESCRIPTION:

Pursuant to Chapter 395, Local Government Code, staff will present a new Impact Fee Study. The committee will be asked to vote to receive the study as prepared and forward the study to the City Council along with any comments.

RECOMMENDATION:

Receive the study as prepared and forward the study to the City Council with a recommendation for approval.
