Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Curtis Preas, Richard Norman and Ben Alva in Public Works – A resident emailed his appreciation for the quick response and resolution of two issues he reported – one about a traffic signal and the other about pavement markings. He said: "My neighbors and I are very appreciative of how quickly the City jumped into action to address these items. I'm sure you hear mostly complaints from residents, but I wanted to make sure that you also heard from some very satisfied citizens as well. Thank you so much for your prompt attention and hard work. Kudos to you and your team on a job very well done."
