FROM: The Office of the City Manager **DATE:** May 14, 2018
SUBJECT: Consider an interlocal agreement between Tarrant County and the City of North Richland Hills for road construction on a section of Susan Lee Lane.
PRESENTER: Chris Turner, Public Works Street Superintendent

SUMMARY:

The City Council is being asked to consider an interlocal agreement between Tarrant County and the City of North Richland Hills for road construction work on Susan Lee Lane beginning at North Richland Boulevard and ending at Circle Drive South and to allow the City Manager to execute the agreement.

GENERAL DESCRIPTION:

Over the past few years Tarrant County Field Operations, Precinct No. 3 has helped the city complete various street construction projects. This year's preventive street maintenance program is again incorporating a partnership with Tarrant County to complete one street within our program. The specifics of the street are listed below.

Susan Lee Lane from North Richland Boulevard to Noreast Drive will have sub-grade restabilized and receive a new asphalt surface.

The terms and conditions of the agreement are attached. The key points of the agreement are: the city will pay for the materials, trucking charges and one-half of the fuel used by Tarrant County for the sub-grade stabilization process and the placement of the asphalt in the roadway.

Once the agreement is executed staff will coordinate with the county to schedule the work. At this time it appears that the work will take place in late May or June of 2018 depending on the weather.

RECOMMENDATION:

To authorize the City Manager to execute an interlocal agreement Between Tarrant County and the City of North Richland Hills for road construction on a section of Susan Lee Lane.
