Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Kevin Brooks in the Water Office – Kevin noticed that a key was left in the door of a property he was placing a door hanger on for new service. Concerned that someone could get access to the home, he contacted his team in the Water Office to ask if they would reach out to the homeowner to make them aware. The resident said she was overwhelmed with the level of customer service provided by Kevin that day. Thank you for going above and beyond, Kevin!
