

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** March 4, 2019
SUBJECT: Discuss 2019 Federal Legislative Program
PRESENTER: Karen Bostic, Assistant City Manager

GENERAL DESCRIPTION:

The legislative program is intended to be a guide to our legislators to inform them of the city's position on issues we expect will be raised during the congressional session. As in the past, we have used four guiding principles to determine our positions. These guiding principles are:

- Local control;
- Predictable and sufficient level of revenue to provide for our residents;
- Opposition to unfunded mandates;
- Quality of life.

At this time there are no bills filed that would directly impact us, however, we will continue to follow federal legislative activity and address issues as they arise.
