CALL TO ORDER

Mayor McCarty called the meeting to order at 5:00 p.m.

1. DISCUSS ITEMS FROM REGULAR CITY COUNCIL MEETING.

City Council had no questions for staff.

2. DISCUSS 2026 CITY COUNCIL MEETING SCHEDULE.

City Secretary/Chief Governance Office Alicia Richardson reviewed the proposed 2026 City Council meeting schedule. Staff recommends the May 11 meeting be rescheduled to May 13 to canvass the election results of the city's general election and the May 25 meeting (Memorial Day) be rescheduled to May 26. There was no opposition from City Council. The proposed 2026 City Council meeting schedule includes the budget work

session on July 31. Lastly, the City Council traditionally directs staff to cancel the second meetings in November and December.

City Council directed staff to reschedule May 11 to May 13 and May 25 to May 26. City Council also directed staff to cancel the July 13, November 23, and December 28 meetings.

3. UPDATE ON CITY COUNCIL GOALS, OBJECTIVES AND PROJECTS.

City Manager Paulette Hartman presented an update on the City's Strategic Plan, highlighting progress since the August 2025 planning session. A dashboard was created to track staff's progress. Of the 74 objectives established, approximately 92% are active or completed, with only 7% not yet started. High and medium priority objectives continue to receive the most focus, including ongoing initiatives related to public safety, operational excellence, neighborhood revitalization, and community engagement in budget development. The City Manager's Office maintains oversight through regular departmental check-ins and snapshot reporting to ensure accountability and consistent progress.

4. PRELIMINARY BUDGET CALENDAR & OBJECTIVES.

Director of Budget and Research Chase Fosse presented preliminary objectives for the Fiscal Year 2027 budget and the upcoming budget calendar. Key priorities include addressing revenue challenges - Business Personal Property (BPP) exemption changes, fee adjustments with a focus on cost recovery, and economic development investments to grow future revenue - as well as developing long-term strategies for the General Fund and Debt Service Fund. The BPP exemption change is projected to reduce taxable value by \$60.1 million, resulting in an estimated \$290,000 revenue loss at the current tax rate. Additional initiatives for the Fiscal Year 2027 budget include a fleet replacement funding plan and efficiency improvements. The budget calendar highlights major milestones from the March budget kickoff through September adoption, including a special work session on July 31 at the NRH Grand Hall and public hearings in August and September.

5. DISCUSS DESTINATION MARKETING SPECIFIC TO NORTH RICHLAND HILLS.

Director of Economic Development Craig Hulse and Economic Development Analyst Elizabeth Copeland presented a proposal to establish a Destination Marketing Organization (DMO) for North Richland Hills to promote tourism and diversify the city's tax base. The presentation highlighted North Richland Hills growing status as a destination with numerous attractions, events, and upcoming hotels, emphasizing the opportunity to leverage hotel occupancy tax revenue. The proposed program includes developing a strategy, to include a program start-up in Fiscal Year 2026, launching marketing and

advertising efforts in Fiscal Year 2027, and allocating at least two-thirds of the proposed program budget to promotional activities. Key benefits include increased visitor spending, expanded commercial tax revenue, and reduced reliance on property taxes. Funding options discussed were hotel occupancy tax reserves and potential future formation of a Tourism Public Improvement District (TPID). Staff recommended proceeding with program start-up in Fiscal Year 2026 to enable full implementation in Fiscal Year 2027 and suggested forming an advisory committee.

6. DISCUSS CLOSING A PORTION OF COLORADO BOULEVARD TO THROUGH TRAFFIC.

Assistant City Manager Caroline Waggoner presented an overview of Colorado Boulevard and its role as a local residential street connecting Harwood Road and Boulevard 26. She reviewed the street's development history, citizen concerns regarding speeding, high traffic volumes, and commercial traffic, and noted that speed cushions were installed in 2018 as a traffic calming measure. Traffic data indicated an increase in volumes over time, with significant bypass traffic observed in October 2025, primarily northbound. A neighborhood survey showed strong support for closure among Colorado Boulevard residents (14 of 21 responses), while adjacent streets expressed minimal support. Reasons cited for supporting closure included improved safety and reduced cut-through traffic, while opposition focused on emergency access and convenience/access to Harwood and Boulevard 26.

7. DISCUSS A CITY ETHICS POLICY AND COUNCIL RULES OF PROCEDURE.

City Secretary/Chief Governance Officer Alicia Richardson presented an overview of ethics policies and council governance practices, including research on ten Texas cities and common elements such as complaint procedures, tiered sanctions, and annual ethics training. The benefits of adopting a formal ethics ordinance are to promote public trust, clarify expectations for elected officials, and reinforce legal compliance. Council discussed whether to codify the current "House Rules" into an ordinance, its applicability to elected and appointed officials, and the City Council's role as the final authority for enforcement. The consensus of City Council supports formalizing an ethics policy and agreed to proceed with drafting an ordinance that incorporates the current "House Rules". Staff was also directed to bring back an item at the next meeting to ratify the Mayor's selection to appoint an ad-hoc council committee comprised of Council members Danny Roberts, Russ Mitchell, and Cecille Delaney. The ad-hoc council committee will work with staff to prepare a draft ordinance for consideration by the City Council. Direction was given to include a process for complaint handling, enforcement provisions, tiered sanctions, training requirements, and rules of procedure for meetings.

FUTURE AGENDA ITEM(S)

There were no requests from City Council for future agenda items.
