Every Council Meeting we spotlight our employees for the great things they do. Tonight we recognize some employees who do not work directly for the City of North Richland Hills, but work for our solid waste collection contractor:

Carlos Escoto, Jeremy Robinson and Chris Robinson with Republic Waste Services - A resident called to express her appreciation for the crew that collects garbage in her neighborhood. She and her husband were trimming limbs in their yard. Jeremy saw that her husband was struggling with a larger branch and without prompting he took the clippers, trimmed the limbs and threw them in the garbage truck. He smiled and waved as they drove off. The resident wanted Jeremy and his coworkers to know the extent of her gratitude.
