The City of North Richland Hills, in partnership with the Northeast Tarrant Chamber of Commerce and others, has launched 1 Million Cups, a program that aims to mentor local entrepreneurs. If you know someone who is thinking of starting a business or if you might be starting a business yourself, 1 Million Cups may be able to help. Please contact the NRH Economic Development Department for more information.

The City of NRH and Republic Services remind residents to have your garbage and recycling on the curb by 7 a.m. on your day of service. Recent changes to collection routes have changed the time of day that some neighborhoods are collected. To ensure your garbage and recycling is picked up, you should always have them on the curb by 7 a.m.

Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Maintenance Staff in the Parks Department – A resident called to complement our Parks & Recreation Department on how well they take care of Northfield Park. He walks in the park daily and he always sees staff out there tending to the area. He just wanted to say thank you all on a job well done!
