To Whom It May Concern:

Iteris, Inc. is the sole distributor of the traffic signal control and detection equipment and software used by the City of North Richland Hills in the State of Texas. We are responsible for the Sales, Service, Support and Warranty concerns in Texas.

If you have any questions with regard to our equipment line, please feel free to contact any of us to purchase Iteris equipment or for any other engineering services we can provide you.

Thank you for your continued support and loyalty.

Sincerely,

*Kirk Barnes*
