1 DISCUSS ITEMS FROM REGULAR CITY COUNCIL MEETING.

Council had no questions for staff.

Mayor Trevino announced that following work session, Council would convene into Executive Session to confer privately with the City Attorney as authorized by Section 551.071 of the Texas Government Code to seek legal advice as to the posted agenda item E.2 construction of Smithfield Road project. Mayor Trevino announced that he would abstain from Executive Session and item E.2, because he has a conflict of interest. Mayor Trevino stated that his wife owns property facing Smithfield Road. Mayor Trevino announced that he would also be abstaining from item C.4. The property in question will be owned by his wife.

2 WELCOME AND INTRODUCTION - PUBLIC OFFICIAL, PUBLIC EMPLOYEE OR CITIZEN.

There was no one present to introduce at the meeting.

3 2017 CITIZENS SURVEY RESULTS

Assistant City Manager Paulette Hartman informed Council the survey was mailed to 8,000 households and made available on the city's website. The city received 1,044 survey responses. A sample of this size provides a confidence level of 95% with a margin of error of 3.2%. Ms. Andrea Thomas with National Service Research is present to review the survey results.

Ms. Thomas informed Council the objectives included: identifying key measures of quality of life; satisfaction with city services (quality vs. importance); assess experience with city communication tools; identify and prioritize city resource allocation, budgeting and policy decisions; and identify where to maintain and improve city services. The city received 565 responses through the mail and 479 responses through the online survey. Ms. Thomas reviewed the demographics of the respondents.

Quality of Life - a majority of respondents rated the overall quality of life in North Richland Hills as excellent or good. Respondents rated the following: overall quality of life in North Richland Hills (96%), place to raise children (96%); feeling of safety in your neighborhood (87%); place to retire (81%); overall appearance of city (80%); place to work (77%); sense of community (74%); and overall quality of services versus taxes paid (71%).

City Employees and Service - half of the respondents contacted the city within the past 12 months. Of those who contacted the city, the most frequently called departments included: code compliance (21%); police (20%); public works (20%); utility billing (14%); and animal control (12%). Those respondents that contacted a department 90% said the person or department was very or somewhat courteous and helpful.

City Service Priorities - respondents were asked to rank the importance and quality of certain city services. The following services have the largest gaps between high importance and lower quality.

- * Management of traffic flow ranked 98% important and 58% were pleased with the quality of this service.
- * Maintenance of residential streets ranked 99% important and 59% were pleased with the quality of this service.
- * Traffic signal timing ranked 97% important and 58% were pleased with the quality of this service.

February 26, 2018

City Council Meeting Minutes

Page 2 of 15

- * Maintenance of major streets ranked 99% and 69% were pleased with the quality of this service.
- * Code enforcement ranked 93% important and 63% were pleased with the quality of this service.
- * Animal control ranked 94% and 84% were pleased with the quality of this service.
- * Water service ranked 99% and 92% were pleased with the quality of this service.
- * Maintenance of landscaped medians ranked 89% and 82% were pleased with the quality of this service.

The following services have the smallest gaps between high importance and high quality.

- * Police ranked 99% important and 94% were pleased with the quality of service.
- * Garbage collection ranked 99% important and 95% were pleased with the quality of service.
- * Ambulance services ranked 99% important and 97% were pleased with the quality of service.
- * Recycling collection ranked 96% important and 94% were pleased with the quality of service.

The following services meet or exceed the importance rating by the respondents.

- * Parks, trails and open space ranked 94% important and 94% were pleased with the quality of service.
- * Fire services ranked 99% important and 99% were pleased with the quality of service.
- * Recreation programs and services ranked 91% important and 83% were pleased with the quality of service.
- * Library services ranked 97% important and 88% were pleased with the quality of the service.
- * Special events ranked 94% important and 73% were pleased with the quality of the service.

Preferred Communication - respondents prefer water bill inserts by 42%, followed by email/e-newsletters with 41%, printed newsletters with 38%, text message notifications with 20% and social media with 16%.

Streets / Intersections - respondents were asked to identify the top three streets in need of repair or repaving. The results show Rufe Snow with 22%, Smithfield Road with 11% and Glenview Road with 8%.

In response to the survey, respondents identified the intersection of Davis Boulevard and Mid Cities Boulevard (16%) where they spend too much time due to traffic congestion or traffic signal timing. Respondents were asked how likely they would be to support or support paying more taxes for improving street and intersections - 9% strongly support, 43% support, 27% oppose and 22% strongly oppose.

Economic Development - respondents were asked to identify type of businesses they would like to see more of in their area of the city. The top three results show full service restaurants with 52%, movie theater with 39% and dining with entertainment/recreation with 29%.

Ms. Thomas provided an overview of how North Richland Hills compared to other cities (Southlake, Colleyville, Farmers Branch, Flower Mound, Hurst, Lewisville, Bedford and Denton) as well as Texas and the United States (where available). In a few cases not all cities were included in the benchmark averages due to some questions not being included in each municipal survey. The statistics were compiled from more than 200 municipal surveys conducted in cities of all sizes throughout the United States. The data shows that North Richland Hills is in the excellent or good rating for city services and quality of life. The city experienced an increase in ratings from the 2015 survey for the following: police services; residential trash services; special events; parks and recreation facilities; animal control; street maintenance; managing traffic congestion; water services; place to raise children; feeling safe in neighborhood; place to retire; overall appearance of city; place to work; and sense of community.

Ms. Thomas mentioned that the top candidates for improvement include: management of traffic flow, maintaining residential streets, traffic signal timing, maintaining major city streets and code enforcement.

Council had no questions for Ms. Thomas.

EXECUTIVE SESSION

Mayor Trevino announced at 6:29 p.m. that the Council would adjourn into Executive Session as authorized by Section 551.071 of the Texas Government Code to seek legal advice as to the posted agenda item E.2, construction of the Smithfield Road Project. Mayor Trevino abstained from Executive Session.

Executive Session began at 6:33 p.m. and concluded at 6:40 p.m.

Mayor Pro Tem Turnage announced at 6:41 p.m. that Council would convene to the regular City Council meeting.

APPROVED

Mayor Trevino opened the public hearing and called on Planning Manager Clayton Comstock to present the item.

Mr. Comstock informed Council the applicant is requesting a special development plan for 9.068 acres located in the 6300-6400 block of Iron Horse Boulevard. The area is designated on the Comprehensive Land Use Plan as transit oriented development and the current zoning is transit oriented development. Mr. Comstock presented site photos of the property.

Applicant representative Jeff Moten with Wolff Company, located at 167 Saint Andrews Lane, Aledo, Texas and Carl Malcolm with JHP Architecture, located at 8340 Meadow Road, Suite 150, Dallas, Texas presented the request. Mr. Malcolm reviewed the proposed changes to the special development plan.

Mr. Comstock presented staff's report. The City Council previously approved a special

development plan for this property in May 2017. The proposed request, if approved, would update the special development plan exhibits for the property (Exhibit B, Ordinance No. 3460) and slight changes to the land use and development regulations (Exhibit C, Ordinance No. 3460). The dedicated commercial space will remain the same, but is centralized in one corner. The open space is increased throughout the development.

Mr. Comstock reviewed the following proposed changes to Phase 1.

- * 324 units not including flex compared to 327 (approved in May 2017)
- * 349 total units compared to 352 (approved in May 2017)
- * 7,000 leasing and amenity square footage compared to 5,000 (approved in May 2017)
- * 49 tuck-under garage compared to 25 (approved in May 2017)

- * 507 total on-site parking compared to 466 (approved in May 2017)
- * 9.7% garage parking on-site compared to 5.4% (approved in May 2017)
- * 1.45 on-site space per unit compared to 1.32 (approved in May 2017)
- * 77 on-street parking compared to 64 (approved in May 2017)
- * 36 designated commercial spaces compared to zero

Mr. Comstock reviewed the following proposed changes to Phase 2.

- * 88 units not including flex compared to 96 (approved in May 2017)
- * 88 total units compared to 96 (approved in May 2017)
- * 18% open space compared to 12% (approved in May 2017)

The Planning and Zoning Commission, at their February 15, 2018 meeting, recommended approval with a vote of 5-0.

Mayor Trevino called for anyone wishing to speak for or against the request to come forward. There being no one wishing to speak, Mayor Trevino closed the public hearing.

A MOTION WAS MADE BY COUNCIL MEMBER WELCH, SECONDED BY COUNCIL MEMBER RODRIGUEZ TO APPROVE ORDINANCE NO. 3500.

MOTION TO APPROVE CARRIED 7-0.

C.2 ZC 2017-15, ORDINANCE NO. 3501, PUBLIC HEARING AND CONSIDERATION OF A REQUEST FROM SAGE GROUP FOR A ZONING CHANGE FROM R-7-MF MULTIFAMILY TO RI-PD RESIDENTIAL INFILL PLANNED DEVELOPMENT IN THE 7300 BLOCK OF CIRCLE DRIVE, BEING 5.80 ACRES DESCRIBED AS LOT 2, BLOCK 35, HOLIDAY NORTH ADDITION.

APPROVED

Mayor Trevino opened the public hearing and called on Planning Manager Clayton Comstock to introduce the item.

Mr. Comstock informed Council the applicant is requesting a zoning change for 5.80 acres located in the 7300 block of Circle Drive. The area is designated on the Comprehensive Land Use Plan as low density residential and the current zoning is R-7-MF multifamily. Mr. Comstock presented site photos of the property.

Applicant representative Curtis Young with the Sage Group, Inc., located at 1130 North Carroll, Southlake, Texas presented the proposed development and requested zoning change. Mr. Young informed Council the proposal this evening includes the recommendation of the Planning and Zoning Commission to install a 6-foot ornamental metal fencing versus the cedar wood fence. The primary access to the development is off of Holiday Lane and Robbins Way. The development will provide a connection to the North Electric Trail, consist of 23 residential lots, internal open space, and mail kiosk location. He visited with neighbors regarding their concerns with construction traffic and the drainage. Mr. Young said that they are using a single contractor and he is confident they will use the designated travel route to address concerns of adjacent neighbors. He also mentioned they offered to incorporate penalties with the contractor if construction traffic does not adhere to the route.

In response to Council member Lombard's question, Mr. Young commented that they are working with a civil engineer to address citizen concerns regarding drainage. Mr. Young informed Council they are confident their contractor will adhere to the specified travel routes. The residents also mentioned the existing traffic and speed traveled on Circle Drive. The residents would like speed humps installed and with it being a city street, it would be best addressed by the city.

Council member Lombard asked Mr. Young how they felt about providing a \$100,000 bond for street repair as requested by the residents. Mr. Young informed Council that he does not believe it would be appropriate to provide a bond.

Council discussed the construction traffic, hours of construction, and routes taken by the trucks to gain access to the development. In response to the wear and tear on city streets, Council discussed the requirement to adhere to certain routes and if the city had the right to impose a bond requirement. Council and staff also discussed the drainage easement and who is responsible for maintaining the easement.

Mr. Comstock presented staff's report. He reviewed the site plan, landscape plan, site details and development standards. The Planning and Zoning Commission, at their February 1, 2018 meeting, recommended approval with a vote of 4-1. The city engineer and fire marshal reviewed and approved the the cul-de-sac design. The city is in receipt

of a petition in excess of the required 20% of adjacent property owners. Pursuant to state law, the request requires six affirmative votes by Council to pass.

Mayor Trevino called for anyone wishing to speak for or against the request to come forward.

Mr. Mike Shingler, 7529 Circle Drive, spoke in opposition to the request. He expressed concern with existing traffic and the speed at which vehicles travel through the neighborhood. He would like speed humps installed on Circle Drive and asked the developer to share the cost.

The following people did not wish to speak, but ask that their opposition be entered into the record: Mr. Bryce Engel, 2304 Top Rail Lane; Ms. Nancy Jenkins, 7520 Circle Drive; Mr. Ronald Jenkins, 7520 Circle Drive; and Mr. Fred Collins, 7528 Collins Drive.

Ms. Janet Southerland, 7508 Circle Drive, informed Council she is concerned with the erosion of the drainage easement. She asked who is responsible for the drainage creek area.

City Manager Mark Hindman advised that the city is responsible for maintaining the drainage area. There will be natural erosion, but when it begins to threat private property it will be addressed by the city.

There being no one else wishing to speak, Mayor Trevino closed the public hearing.

Council member Welch asked the city attorney to clarify whether the city can require the developer to provide a \$100,000 bond.

City Attorney Maleshia McGinnis advised Council that the city can not require a developer to provide a bond for street repair that is not a public project.

Council discussed methods to keep construction trucks off non-concrete roads.

A MOTION WAS MADE BY MAYOR PRO TEM TURNAGE, SECONDED BY COUNCIL MEMBER BARTH TO APPROVE ORDINANCE NO. 3501, SUBJECT TO 6-FOOT ORNAMENTAL METAL FENCING BEING REQUIRED ALONG THE SOUTH AND WEST PROJECT BOUNDARIES.

MOTION TO APPROVE CARRIED 7-0.

C.3 ZC 2017-17, ORDINANCE NO. 3502, PUBLIC HEARING AND CONSIDERATION OF A REQUEST FROM HIGH LINE GROUP FOR A ZONING CHANGE FROM C-1 COMMERCIAL TO RD-PD REDEVELOPMENT PLANNED DEVELOPMENT AT 6904 NE LOOP 820, BEING 0.799 ACRES DESCRIBED AS LOT 3B1, BLOCK 25, SNOW HEIGHTS ADDITION.

APPROVED

Mayor Trevino opened the public hearing and called on Principal Planner Clayton Husband to introduce the item.

Mr. Husband informed Council the applicant is requesting a zoning change for 0.799 acres located at 6904 Northeast Loop 820. The area is designated on the Comprehensive Land Use Plan as commercial and the current zoning is C-1 commercial. Mr. Husband presented site photos of the property.

Applicant representative William Milligan with High Line Group, located at 6851 Northeast Loop 820, Suite 210, North Richland Hills presented request. The current building on the property is vacant. The request is for a suite of offices with the remaining land located to the west being vacant. Mr. Milligan reviewed the elevation plans.

Council had no questions for the applicant.

Mr. Husband presented staff's report. The proposed land use for the property will be a contractors office with shop and garage and a design firm office. The property requires 34 parking spaces and 28 are provided. A sign pole is allowed and the applicant is proposing a monument sign. If the zoning is approved, the applicant has agreed to waive their right to a pole sign. Applicant has indicated up to two vehicles will be parked overnight. The two vehicles are required to be parked adjacent to building and outside storage and display is prohibited. The Planning and Zoning Commission, at their February 15, 2018 meeting, recommended approval with a vote of 5-0.

Council had no questions for staff.

Mayor Trevino called for anyone wishing to speak for or against the request to come forward. There being no one wishing to speak, Mayor Trevino closed the public hearing.

A MOTION WAS MADE BY COUNCIL MEMBER WRIGHT OUJESKY, SECONDED BY COUNCIL MEMBER LOMBARD TO APPROVE ORDINANCE NO. 3502.

MOTION TO APPROVE CARRIED 7-0.

APPROVED

Mayor Trevino announced that he had a conflict on items C.4 and E.2 and would be abstaining from discussion on both items. His wife will be the future owner of the property for item C.4 and that his wife owns property located immediately north of the request for item E.2.

Mayor Trevino left the dais at 8:14 p.m.

Mayor Pro Tem Turnage announced that Mayor Trevino has a conflict of interest and he filed an affidavit of disqualification with the City Secretary stating that his wife will own the property at a future date.

Mayor Pro Tem Turnage opened the public hearing and called on Planning Manager Clayton Comstock to introduce the item.

Mr. Comstock informed Council the applicant is requesting a replat for 3.415 acres located in the 7500 block of Mid Cities Boulevard. The area is designated on the Comprehensive Land Use Plan as transit oriented development and the current zoning is transit oriented development. Mr. Comstock presented site photos of the property.

Applicant representative Otis Lee with Baird, Hampton and Brown, located at 1901 Martin Drive, Weatherford, Texas presented request. The request is for a replat for Lots 1 and 2 in Fox Hollow Addition. Lot 1 is proposed for a 6,300 square foot office building and Lot 2 is proposed to be replatted in the future for townhomes. The future replat for the townhomes will include a public street. The utilities are currently present and public access will be provided with the replat for the townhomes.

Mr. Comstock presented staff's report. The Planning and Zoning Commission, at their February 15, 2018 meeting, recommended approval with a vote of 4-0-1.

Council had no questions for staff.

Mayor Pro Tem Turnage called for anyone wishing to speak for or against the request to come forward. There being no one wishing to speak, Mayor Trevino closed the public hearing.
