Visionality cannot guarantee the graphics on the new Crestron TST-1080 touchpanel will look exactly like the existing graphics on the existing OFE Crestron TST-902 touchpanel. The existing OFE Crestron 3-Series processors may cause issues (slow connections and missed button presses) when communicating with the TST-1080 Panels.

Terms and Conditions

Disclaimers

Visionality - Designs That Compute (DTC) is a reseller of electronic equipment. Warranty and liability for use of any product sold is limited to what is stated by the manufacturer of these products. DTC creates no warranties express or implied beyond the manufacturer's warranty.

Limitations

The express obligation stated above is in lieu of all liabilities or obligations of DTC for damages, including but not limited to any liability due to or associated with infringement of a third party's intellectual property rights or any loss, damage, or injury, direct or consequential (including any loss of profits, use, business or the like, even if DTC has been advised of the possibility of same), arising out of or in connection with the delivery, use or performance of products resold by DTC, and it is agreed that repair or replacement, in accordance with the foregoing warranty, is DTC's sole liability and buyer's sole remedy for such liability, loss, damage, or injury. This limitation of DTC's liability will apply regardless of the form of action, whether in contract or tort (including negligence) or based on a warranty. Any action against DTC must be brought within 12 months after the cause of action arises. The parties expressly agree that the products are not consumer goods.

To the extent any limitation of liability contained herein is construed by a court of competent jurisdiction to be a limitation of liability in violation of state law, such limitation of liability shall be void, however the validity of the remaining parts, terms or provisions shall not be affected thereby, and said illegal or invalid part, term or provision shall be deemed not to be a part of this limitation of liability.

At times, the goods and services in this proposal may be purchased by a government entity under a specific purchasing contract and that contract may have a clause which conflicts with this clause. In that case the terms of the purchasing contract will take precedence.

Statement of Confidentiality

This proposal is the work product of DTC and as a result remains the property of DTC. This proposal has been submitted for the express interest of offering products and services. The particulars of this proposal must remain confidential between the receiving agency and DTC unless otherwise required by law. This proposal may not be offered to others without the express written consent of DTC. Where applicable, confidentiality is to be consistent with the Texas Public Information Act (TPIA) and the Freedom of Information Act. If there is a request for this document the customer will take all necessary steps to defend the confidentiality of the document, including an appeal to the Office of the Attorney General and also make a good faith attempt to inform DTC that their proprietary information is being requested from the governmental body.

Installation (if applicable)

Installation prices are estimated based on the customers stated requirements. Unless otherwise noted, the customer is responsible for standard installation preparation and assistance; this include but is not limited to: Site security before and during the installation; fee access to perform installation during business hours while scheduled on site; customer furnished installation or materials are ready prior to Visionality installation; and resources are available quickly to resolve issues. A full list of these requirements is in the proposal above. If these conditions are not met, additional charges may apply.

Product Returns

DTC does not accept product returns unless defective and only for replacement.

Non-Solicitation.

Customer agrees that for a period of twelve (12) months immediately following the Effective Date of this Agreement or Last Date of Service on this Agreement, whichever comes later, Customer shall not either directly or indirectly solicit, induce, recruit or encourage any of Design That Compute's employees to leave their employment, or take away such employees, or attempt to solicit, induce, recruit, encourage, take away or hire employees of the Designs That Compute, either for the customer or any other person or entity. Should the Customer infringe on this, it will be seen as a referral of the employee and the client agrees to pay Designs that Compute a one-time referral fee of two hundred (200) percent of the candidates total annual starting compensation with a minimum referral fee of fifty-thousand dollars (\$50,000). Should the employee be hired as an hourly their annual compensation will be calculated at two thousand (2,000) times their hourly rate. Referral Fees will be invoiced immediately upon hiring of an employee by the Customer and will be due net thirty (30).

Payment Terms

Prepayment may be required. If terms are extended, payment is due immediately upon receipt of goods. Any objections to delivery or installation by the customer that may delay payment must be submitted to DTC in writing with 15 day of delivery of invoice to purchasing. When DTC resolves the problem they will resubmit invoice to purchasing. At that time customer must respond within 15 days if there is a further problem. DTC fully expects any invoice to be paid within 30 days of submittal. Failure to pay in a timely manner will constitute charges at the rate of 2% per month from date of invoice submittal.

Products delivered for an installation, are billed and due at the time of delivery. Installation will be billed and due when substantial completion has occurred. DTC will work with the customer to assure the highest quality products and services are delivered and installed. At the customer's request a payment schedule can be designed that withholds a percentage of the invoice based upon successful installation.

Some equipment has service or warranty that starts at the time of delivery. If installation is delayed this may affect the time coverage of those products is in effect after installation.

At times, the goods and services in this proposal may be purchased by a government entity or under a specific purchasing contract. In the cases where be a law or contract has conflicts with the above terms, the terms of a purchasing contract or law will take precedence.
