PRESENTER: Clayton Husband, Principal Planner

SUMMARY:

On behalf of NRH Partners, Ltd., Kimley-Horn is requesting approval of a replat of Lots 1R2R1 and 1R2R2, Block 25, Snow Heights Addition. This 3.11-acre development is located at 6800 NE Loop 820.

GENERAL DESCRIPTION:

The property is located on the south side of NE Loop 820 between Rufe Snow Drive (west) and Vance Road (east). The property is currently vacant.

The replat would make the following revisions to the previous plat.

1. The property would be subdivided into two lots. Lot 1R2R1 is 1.958 acres in size and is not proposed for development at this time. Lot 1R2R2 is 1.152 acres in size and is proposed to be developed with a quick service restaurant under separate application.
2. Access, drainage, and water line easements are added to the plat to accommodate the proposed development. The access easements would provide a connection between the properties to the west and a future drive approach on the NE Loop 820 frontage road.

The plat does not alter or remove any recorded covenants or restrictions, if any, on the property.

As required by Section 212.015(f) of the Texas Local Government Code (effective September 1, 2019), written notice of this replat will be mailed to each owner of a lot in the Snow Heights Addition that is within 200 feet of the lots being replatted. The notice is required to be sent no later than 15 days after approval of the plat.
