3. UPDATE - NEIGHBORHOOD REVITALIZATION PROGRAM

Assistant to the City Manager Kristin James presented an overview of the Neighborhood Revitalization Program. The program awards a 20% grant, up to \$10,000, for the completion of well designed home renovations within a targeted area, being south of Loop 820, east of Rufe Snow, and north of Glenview. To date, seven (7) homes have been sold, six (6) are in construction or on the market and one (1) is pending approval. The average sales price for the homes is \$166,542.86. The total incentive paid to date is \$129,740.

Council had no questions for staff.

4. DISCUSS REVISIONS TO CITY CODE OF ORDINANCES, ARTICLE III. - BOARDS, COMMISSIONS AND COMMITTEES.

City Secretary Alicia Richardson informed Council this item was placed on work session as a result of discussion at their June 13 work session meeting. At this meeting, Council discussed their expectations of appointees to adhere to the attendance requirement. Based on their discussion, staff was directed to bring forward proposed revisions to increase the minimum percentage of meetings attended from 50 to 75, and a mechanism to provide notification when an appointee has missed three meetings within a six (6) month time frame. Staff researched the City Charter regarding method of appointment and removal of Planning and Zoning Commission members. While the Charter states that members may be removed by the Mayor with the consent of the City Council after a public hearing and for cause set forth in writing; it does not preclude the City Council from appointing new members to places whose terms have expired. The term of Planning and Zoning Commission members is two years. Staff recommends proposed language for a future Charter Amendment Election to remove the public hearing requirement prior to removal of a Planning and Zoning Commission member.

City Manager Mark Hindman informed Council that staff would draft an ordinance for consideration by Council.

EXECUTIVE SESSION

Mayor Trevino announced at 6:21 p.m. that the Council would adjourn into Executive Session as authorized by Chapter 551, Texas Government Code, specifically Sections 551.072: deliberate the purchase, exchange, lease or value of real property - (1) 7301 NE Loop 820, (2) Southeast corner of Rufe Snow and NE Loop 820 and (3) Northwest corner of Davis Boulevard and Main Street; 551.087: deliberate the offer of financial or other incentives to a business project with which the city is conducting economic development negotiations - Southeast corner of Rufe Snow and NE Loop 820; and 551.074: personnel matters to deliberate the employment, evaluation, and duties of public employees - consideration of extension of injury leave for a police officer. Executive Session began at 6:28 p.m. and concluded at 6:52 p.m.

Mayor Trevino announced at 6:53 p.m. that Council would convene to the regular City Council meeting.

C.1 ZC 2016-07, ORDINANCE NO. 3417, PUBLIC HEARING AND CONSIDERATION OF A REQUEST FROM DUSTIN AUSTIN FOR A ZONING CHANGE FROM AG AGRICULTURAL TO R-2 SINGLE FAMILY ON 14.78 ACRES LOCATED IN THE 8100 BLOCK OF PRECINCT LINE ROAD.

APPROVED

Mayor Trevino opened the public hearing and called on Planning Manager Clayton Comstock to introduce the item.

Planning Manager Clayton Comstock informed Council the applicant is requesting a zoning change for 14.78 acres located in 8100 block of Precinct Line Road. The area is designated on the Comprehensive Land Use Plan as Low Density Residential and the current zoning is AG Agricultural. The Low Density Residential designation provides areas for the development of traditional, low-density single-family detached dwelling units. He commented that Low Density Residential is the underlying use, but there is an alternate recommendation for Mixed Use on the Comprehensive Land Use Plan. Mr. Comstock provided site photos of the property.

Applicant Representative John Pitstick with Our Country Homes located at 700 West Hardwood Road, Hurst, presented request. In their meeting with staff, the issue of access onto Precinct Line Road was discussed. Texas Department of Transportation (TxDOT) has stated there should only be a maximum of three curb cuts for the 35-acre area. He provided a conceptual plan that showed future access to Precinct Line Road and detention ponds required for runoff to Precinct Line storm system. Our Country Homes has been in contact with surrounding homeowners in Thornbridge to notify them of the proposed development. They are currently working with affected surrounding property owners to clarify privacy fencing, open space and utility connections.

Mayor Trevino advised that he read the comments made during the public hearing at the Planning and Zoning Commission. He asked Mr. Pitstick if he visited with

property owners that have reasonable requests. Mr. Pitstick informed Council they visited with the property owners that back up to the open space area. They are willing to work with them to replace fencing, preserve some of the trees and add new trees. They have talked to the two property owners that are located at the turn on Thornbridge Drive about the existing manhole and the need to bore under their drive approaches.

Planning Manager Clayton Comstock presented staff's report. Council will have the opportunity to discuss the preliminary plat, final plat and site plan at a future meeting. The request this evening is to consider the zoning change. The Planning and Zoning Commission, at their June 2, 2016 meeting, recommended approval with a vote of 6-0.

Mayor Trevino called for anyone wishing to speak for or against the request to come forward. There being no one wishing to speak, Mayor Trevino closed the public hearing.

**MAYOR PRO TEM WELCH MOVED TO APPROVE ORDINANCE NO. 3417.
COUNCIL MEMBER RODRIGUEZ SECONDED THE MOTION.**

MOTION TO APPROVE CARRIED 5-0.

C.2 ZC 2016-06, ORDINANCE NO. 3418, PUBLIC HEARING AND CONSIDERATION OF A REQUEST FROM ICON CONSULTING ENGINEERS, INC FOR A REVISION TO PLANNED DEVELOPMENT 36 (PD-36) LOCATED IN THE 9000-9100 BLOCKS OF NORTH TARRANT PARKWAY INCLUDING ADJACENT PARCELS ON DAVIS BOULEVARD AND PRECINCT LINE ROAD, AND FURTHER AMENDING PD-36 TO CONSOLIDATE ALL PREVIOUSLY-APPROVED SITE PLANS FOR THE PROPERTY INTO ONE COMPREHENSIVE ORDINANCE.

APPROVED

Mayor Trevino opened the public hearing and called on Principal Planner Clayton Husband to introduce the item.

Principal Planner Clayton Husband informed Council the applicant Icon Consulting Engineers is seeking a zoning change to amend Planned Development 36 (PD-36) to develop an El Pollo Loco fast casual restaurant located in the 9000-9100 blocks of North Tarrant Parkway. The area is designated on the comprehensive plan as Retail and current zoning is Planned Development (PD-36). The Retail designation is

intended to permit a variety of retail trade, personal and business service establishments, and offices. Mr. Husband provided site photos of the property.

Applicant representative David Gregory, 2840 West Southlake Boulevard, Suite 110, Southlake, TX presented the site plan and was available to answer questions. The proposed building is a new prototype for El Pollo Loco. They have negotiated a ground lease with Walmart to rent a portion of their existing parking lot. Mr. Gregory informed Council that El Pollo Loco is requesting a variance to the sign ordinance. They are requesting signage on all four elevations.

In response to Mayor Pro Tem Welch's question, Mr. Gregory informed Council that Walmart and El Pollo Loco are compliant with parking requirements.

Principal Planner Clayton Husband presented staff's report and reviewed the applicant's site plan, landscape plan, and photometric plan. The proposed site plan provides for 41 parking spaces, which is more than what is required for the size of the building. The Planning and Zoning Commission, at their June 2, 2016 meeting, recommended approval with a vote of 6-0 that included wall signs on two elevations of the building and addition of the landscaped islands as proposed by the Development Review Committee (DRC). Mr. Husband informed Council the ordinance before them this evening consolidates the nine site plans that have been approved over the years.

Mayor Trevino asked why the Planning and Zoning Commission did not approve additional wall signage. Mr. Husband commented that the current standards are sufficient, no similar requests were made for this property, and City Council has a method (Sign Review Board) to review signs.

Mayor Trevino called for anyone wishing to speak for or against the request to come forward. There being no one wishing to speak, Mayor Trevino closed the public hearing.

COUNCIL MEMBER LOMBARD MOVED TO APPROVE ORDINANCE NO. 3418, SUBJECT TO DRC'S RECOMMENDATIONS REGARDING WALL SIGNS, PARKING LOT LANDSCAPE ISLANDS, AND FINAL CERTIFICATION OF THE SITE PLAN. COUNCIL MEMBER TURNAGE SECONDED THE MOTION.

MOTION TO APPROVE CARRIED 5-0.
