#### **Kudos Korner**

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

**David Nichols and the Street Division Crew** – A citizen emailed praises for the city staff who came to clean up a tree that was blocking his street following the damaging storm on March 2. He wrote: "They were able to cut and haul off this massive tree without it causing any more damage to my truck, the mailbox or our property. David and his crew did an outstanding job and the city can be really proud of them. I am sure they were all running on fumes from the night before dealing with all the storm damage, yet they exhibited great attitudes and went above and beyond to put everything back together."
