Special Use Permit Case ZC22-0047
Lot 7B, Block 4, Tapp Addition
6645 NE Loop 820, North Richland Hills, Texas

This Special Use Permit (SUP) must adhere to all the conditions of the North Richland Hills Code of Ordinances, as amended, and the base zoning district of C-2 (Commercial). The following regulations shall be specific to this Special Use Permit. Where these regulations conflict with or overlap another ordinance, easement, covenant or deed restriction, the more stringent restriction shall prevail.

- A. *Permitted land uses.* A special use permit is authorized for a quick service restaurant on the property.
- B. *Site development standards.* Development of the property shall comply with the development standards of the C-2 (Commercial) zoning district and the standards described below.
 - 1. The site improvements must be constructed as shown on the site plan attached as Exhibit "C."
 - 2. Landscaping must be installed as shown on the site plan attached as Exhibit "C." All trees planted on site must be container-grown trees.
 - 3. The drive-through components on the site must comply with Section 118-633(26) of the zoning ordinance and the standard described below.
 - a. The drive-through lane improvements must be constructed as shown on the special use permit exhibit attached as Exhibit "C," including pickup window, lane widths, pavement markings, and menu board locations.
 - b. The drive-through stacking lane may be located on the south side of the building between the building and NE Loop 820 frontage road.
 - c. A solid row of evergreen shrubs must be planted between the drive-through lane and the adjacent driving aisle to screen the area from the street. The screening shrubs must be planted the entire length of the area and be maintained at a height of thirty (30) inches above the grade of the pavement.
- C. *Building design standards.* Building design and appearance must comply with the building elevations attached as Exhibit "C" and the standards described below.
 - 1. The quick service restaurant must be at least five thousand one hundred (5,100) square feet in floor area.
 - 2. Signs on the site must comply with Chapter 106 (Signs) of the Code of Ordinances and the standards described below.
 - a. Wall signs are permitted on four facades of the building.
- C. *Expiration.* The special use permit will expire three (3) years from the effective date of this ordinance. If the quick service restaurant is still in operation at the time of expiration, the business shall be considered a legal non-conforming use and may continue operation subject to the standards described in Section 118-153 of the zoning ordinance.

- D. *Amendments to Approved Special Use Permits.* An amendment or revision to the special use permit will be processed in the same manner as the original approval. The application for an amendment or revision must include all land described in the original ordinance that approved the special use permit.
- E. *Administrative Approval of Site Plans.* The development is subject to final approval of a site plan package. Site plans that comply with all development-related ordinances, and this Ordinance may be administratively approved by the Development Review Committee.

The city manager or designee may approve minor amendments or revisions to the standards provided the amendment or revisions does not significantly:

1. Alter the basic relationship of the proposed uses to adjacent uses;
2. Change the uses approved;
3. Increase approved densities, height, site coverage, or floor areas;
4. Decrease on-site parking requirements;
5. Reduce minimum yards or setbacks; or
6. Change traffic patterns.
