

APPLICATION INFORMATION

Special Use Permit Case ZC24-0096
6455 Hilltop Road #101, North Richland Hills, Texas

The following information was submitted with the application on the NRH E-SERVICES PORTAL on February 28, 2024.

DESCRIPTION

I am applying for a special use permit for the location described on this application. Our location is a full-service breakfast, lunch & dinner restaurant with no alcohol sales. We are wanting to get a special use permit to allow the use of the strip lighting we installed during our renovations. this strip lighting adds a beautiful amenity that is done properly and not in a tacky way. it gives us a tasteful feel of a home cooking / home style establishment.
